## Parking By-law gets Second reading

St. Anne street will get parallel parking on both sides of the street, and Perron street will have it added on the east side only, from St. Michael to St. Anne street. Present parallel parking on both sides of St. Anne and Churchill remains in effect. The supporting bylaw was given two readings at council meeting Monday evening and the new regulations will come into effect after signs

are installed and third reading is passed.

Councillor Lukay's recommendation (which was opposed by Councillors Hudson and Bakker), that traffic lights be installed at the intersection of St. Anne and Perron streets has been referred to the town engineer for a report based on traffic count, and the recommendation of Councillor Fyfe that no trucks be allowed to angle park on Perron was defeated 4-2. Councillor Thordson had moved a recommendation to change to parallel parking on the south side only on St. Anne street, which was also defeated 4-2.

A request from the Mid-night Twilight Tourist Association for \$100 in support of the tourist booth in St. Albert was turned down as recommended by committee. The association had received \$1,500 from the town earlier in the year. Vote was 5-1 with Councillor Thordson opposed.

The firm of Suran, Pettig and Associates will be engaged by the town to prepare a plan of survey for property bordering on the Sturgeon River. Under council recommendation they will conduct a two-part service. 1) Traverse the river banks to determine ownership line as defined by existing legislation; 2) Will cross-section traverse line from the river bank to a point high enough to establish a proposed line of restricted development

(2,145 feet), and on building sites (2,110 ft.) as suggested by the provincial department of environment, or to a point of mutual agreement. In moving that the service be hired, Councillor Lukay recommended that it not be proceeded with until included and approved in the 1974 budget, which carried unanimously.

## Council approves new RCMP equipment

Council voted unanimously Monday night to purchase a second radar set for the St. Albert detachment of the RCMP at an estimated cost of between \$1,500 and \$2,000. The sets are not for use by the Highway Patrol, who have their own, and the money will come from capital assets. The recommendation came from the Sept. 12 meeting of the Board of Police Commissioners.

The detachment will also get a 141 telephone key system at \$119, with a monthly rental of \$65.50, which will improve shortcomings of their existing line. The system is referred to as a "roll-over phone with five buttons."

The meeting, except for discussions on two agenda items to be held in camera, was concluded by coffee break at 9 p.m. Mayor Gibbon is out of town and Councillor Lukay was absent through illness.

A board recommendation on speed limits on boundary roads was also adopted. In moving that speed limits on these roads should remain at 30 m.p.h., and that the matter of posting signs be referred for technical advice, Councillor Hudson observed that it was made clear that councillors could not always be considered competent when it came to technical matters, and indicated that he was happy not to get involved in this area.

S/Sgt Clark reported to the police commissioners meeting on a meeting with Dr. Howell of the Health Unit regarding noise pollution. The type of meter considered most satisfactory was the Bruel Kjaer Model 2208, and two would be required. The commissioners also discussed briefly the publicity on police protection appearing in the Gazette

## Stompin' Tom Coming To Edmonton

Stompin' Tom Connors, rapidly rising star of Canadian country music, who has impressed his own rough diamond style and the Maritime music which spawned Hank Snow and Wilf Carter, will be appearing at the Jubilee Auditorium Saturday night. He writes, records and performs country music about his own country, mainly on themes of hard times, hard drinking and hard work.

He sings about working the coal boats in "Newfie," Saturday night in Sudbury or picking tobacco in Tillamook and while the lyrics may be corny or awkward at times it is very clear that he is getting a message across about the majority of Canadians sometimes referred to as the "working poor". With his shy speech and stompin boot and music from deep in the French

and Scottish roots of the Maritimes, Tom Connors is making it big all across Canada. The music has a parallel with Nashville in some ways, but Tom is stompin

it out about Canadian people and Canadian places - and Canadians are lapping it up.

The concert starts at 8 p.m. and tickets are on sale at Mike's ticket office.

His home province of Prince Edward Island has proclaimed Tom Connors as Goodwill Ambassador of the island in its Centennial 1973 year. Tom undertook a special centennial project of his own to restore and return the oldest school house on the island to its condition at the time of Confederation. The school house is located in his home town of Skinkers Pond and will be presented to the district as a museum, by Mr. Connors.

## Shoots Cow Makes History

A rifle, which was donated to the Museum as having belonged to Almighty Voice will be on display at tomorrow night's meeting of the St. Albert Historical Society. This Indian, convicted and jailed in 1895, for shooting a cow, escaped from his prison in Duck Lake and eluded NWMP for two years before being found. Two detachments of NWMP and two cannons waged a two day battle with Almighty Voice and two companions which finally resulted in the death of the Indians.

The St. Albert Historical Society and the Father LaCombe Museum has the potential to provide interesting

and challenging programs to a wide spectrum of local residents. At its general meeting Oct. 4, Mr. Dan Akerman, extension officer at the Provincial Museum and Archives, will discuss a variety of these programs and ways in which local residents can become actively involved in them. The meeting will be held in the Theatre Arts Room of Paul Kane School beginning at 8 p.m.

All members of the Society and any interested residents are urged to attend as this meeting will form the basis for planning a year-long program and your ideas and preferences are needed for consideration.

## E Howrsh Re-Elected Catholic SD Chairman

E. HOWRSH RE-ELECTED

Chairman of the St. Albert Catholic School District No. 3, Ernest Howrsh was re-elected by acclamation Monday night at the reorganization meeting of the Board. Vice-chairman Al Gannon was also elected by

acclamation.

On a motion by Trustee Steve Steben, the standing committees will remain 'as is' until December when the fifth member of the board, Dave Fraser resumes his seat after having completed his posting to Toronto. The board unanimously agreed to leave standing committees 'as is' until the first meeting in the new year when all members of the board will be present.

While reviewing the various standing committee designations the board agreed to create a scholarship and awards committee and also unanimously agreed to the appointment of Trustee Sylvia Walsh to serve on this committee.

## The Impossible Dream?

The aim of Fire Chief Fred Tetarenko for a completely fire free year in St. Albert has never been realized, and may be 'the impossible dream' he confesses. Nevertheless the St. Albert brigade has a very proud record indeed, with a total of 13 Certificates of Merit in dominion-wide competition. Over the past nine years the fire department has placed first in their class.

Fire Prevention Week is October 7-13 and the problem which bugs the local department most is fires set by children playing with matches. We get a good many

calls to fires set by kids in garbage areas of shopping centres and such places, said Chief Tetarenko, who feels the problem is one of parents getting through to their children from a very early age, on the serious consequences of playing with fires.

Firemen are continuing their house-to-house checking in the newer districts and will also do the business places this fall. The department would like to cover all homes in town once a year, as they feel a personal visit is the most effective preventive measure in fire control, however it is a very large assignment, and they may

not get all the visits completed in a year.

The fire department is also taking part in the Safety Day exhibition being held on the Grandin Mall this weekend.

They urge the co-operation of all residents in making Fire Prevention Week a time to thoroughly check their premises inside and out for fire hazards. Leading causes of fire as reported by the Dominion Fire Commissioner are careless smoking, 32 per cent; heating, 17 per cent and electricity, 15 per cent. More than two-thirds of all fires happen in the house.

## Protestant S.D. No. 6 Shoots Down Bus Motion

Trustee Jim Wiltshire of the Protestant School District No. 6 failed to push through a motion whereby all high school students of the system using the school bus service pay \$2 per month.

In speaking to his motion, Trustee Wiltshire pointed out that the administrative staff was encountering difficulty determining distances in order to classify which students qualify and those who do not. Another point

Mr. Wiltshire brought forth was the annual rash of delegations the school board has to negotiate with and the hundreds of phone calls from parents which office staff has to handle every day for the first couple of months at the beginning of a new school term.

"I sincerely believe that \$2 per child per month would not be an untenable financial burden on the parents of our system," Mr. Wilt-

shire said, "and I would also be prepared to extend my motion to include all students of all grades."

Mr. Wiltshire concluded by saying that he would suggest such a plan be presented to the electorate for reaction before it be implemented.

First reaction to Mr. Wiltshire's motion came from Mrs. Muriel Martin, assistant school superintendent who took the meeting in the absence of Superintendent Elmer Gish, presently on a business-holiday trip in Europe. Mrs. Martin did not agree that elementary students would not suffer hardship if forced to walk about three-quarters of a mile to school. She pointed out that many tiny students leave home to go to work, thereby making their home departure without proper supervision. She was quick to explain that such cases were not in the majority, however, these instances do exist where grade one students arrive at school without scarves, mitts and the such and even in some case without breakfast. "At least a bus ride

to school for those particular students is very essential in my opinion," she said.

Trustees Don Munro said he would favour the proposal but only for high school students who live outside the 1 1/2-mile limit "and that would be on the basis as a pilot project," he said. Chairman Charles Schroder spoke against the motion in view of the anticipated increased costs involved. "I do not agree with the idea of supporting additional busing costs at the expense of the education budget," he said. Chairman Schroder then added, "walking isn't bad for students, it might even prove beneficial to those who need the extra exercise." Trustee Bill Webber, also against the motion expressed the fear that such a scheme might provoke "more headaches than we already have."

The vote was recorded at 3-1 against the motion. Dr. W. Cuts was absent from this meeting since he had previously obtained permission from the board to miss three consecutive meetings while away on a holiday trip.

## Catholic S.D. Briefs

The St. Albert Catholic School District No. 3 held its regular October meeting on Monday instead of Wednesday as was previously the custom. From this date until further notice, regular meetings will be held every first and third Monday of every month. In the case of a Monday statutory holiday falling on a meeting date, the No. 3 Board has agreed to meet on Tuesday.

Trustee Al Gannon reported on the successful conclusion of wage negotiations with the No. 3 School District Secretariat Staff. He revealed that terms of the agreement included a 2.25 per cent increase covering the remaining four months of 1973 and an additional 6.75 per cent increase spread over two years, covering the period from January 1974 to December 31, 1975. Mr. Gannon explained that the total wage package of nine per cent increase over two years and four months affects only those school district employees with a job classification of 'office secretary'.

Three school proposals for the Akinsdale site were considered by the Catholic School Board and George Chernenko, architect. A number of alternatives were considered for the five-acre site located along Hebert Road and Falstaff Avenue. The merits as well as the disadvantages of each proposal were considered before being referred back to the Building and Sites Committee for further study.

Business Administrator Ted Baldwin reported to the board that in view of the natural growth of the Catholic School system, additional maintenance staff is required and recommended that a competition be entertained to hire another man to assist the existing staff. On a motion by Trustee Steven, the board approved a motion that the job opportunity be advertised and also circulated within the school system.

Trustee Al Gannon made a motion which was approved unanimously regarding Local Initiative Program grants. The motion followed a recommendation from Business Administrator Ted Baldwin who reported to the

board that most schools within the Catholic system require interior decorating. Mr. Baldwin pointed out in his recommendation that if the application for an L.I.P. grant is accepted, that could provide winter employment for local painters, redecorate all schools within the system at a saving of about \$30,000.

A teacher at Albert Lacombe Elementary, Mr. Jerome Bach of Grade 6 asked the board to endorse his application for an overseas teaching post with the Department of National Defense. The board agreed to recommend Mr. Bach whose application is being submitted for the school terms of 1974-76.

The board unanimously agreed to present a resolution at the Alberta Catholic School Trustees' Association convention to be held in Calgary November 2-3. The resolution urges: "That training in religious education is being submitted for the Teacher Qualification Board."

Trustees Al Gannon and Ernest Howrish agreed to serve during a second term as zone representatives to the ASTA and ACSTA respectively.

## MacEwan will be back for Kinsmen Skate-a-thon

The Kinsmen Club of St. Albert were very pleased to receive word that Lt. Governor J. W. Grant MacEwan has agreed to skate in their annual skateathon being held this winter at a much earlier date than usual, on Sunday, October 28 from 10 a.m. until 4 p.m. in the St. Albert Arena.

Invitations to skate have also been forwarded to other distinguished citizens and it is hoped that by next week the club will be able to announce their names if their answers are in the affirmative.

The reasons for moving the date to October from March are two fold.

Firstly, the Kinsmen Club of St. Albert has, as its main object, service of the communities' greatest need, and as everyone knows only too well, this usually requires an injection of cash. For instance, the club has spent approximately \$50,000 dollars on the arena and artificial ice plant, and it also organizes and administers the minor hockey program in St. Albert at a cost to the club of some \$4,000 per year.

In the past the major fund raisers such as skateathon have been held towards the end of the Kinsmen year after their commitments and major expenses had already been incurred. It is a logical

move therefore to bring one major fund raiser forward to an earlier date.

The second reason is that in the past skateathon to a certain extent has interfered with hockey play-offs and this will now be avoided.

So October 28 is the date and we hope that the citizens of St. Albert will once again show their community spirit by supporting the youngsters who will be skating on that day.

## AARN will sponsor Babysitting course

The St. Albert Chapter of the Alberta Association of Registered Nurses will sponsor the babysitter safety course, programmed by the Alberta Safety Council, for boys and girls 12 years and over.

Registration is on Thursday at the St. Albert Evangelical Lutheran Church (across from Town Hall) at 6:30 p.m. and there is a fee of \$1.50 to be paid at that evening.

The first session of the course begins October 11 and it runs every Thursday thereafter up to and including November 15, from 6:30 to 7 p.m. each week. There will be graduation exercises on November 22.

Mrs. Rasmussen has been in charge of the program and reports that over the last six years some 500 youngsters have been put through as knowledgeable babysitters well trained in safety. The largest class was last year's, when 85 boys and girls enrolled.

When a man answers the phone, he reaches for a pencil. A woman grabs a chair.

## McKenney Ave. Adorned With 40 BACM Evergreens

Thousands of dollars worth of giant spruce trees have found a new home along McKenney Avenue in St. Albert.

These stately evergreens... about 40 of them... were destined to be bulldozed in the wake of a road construction operation.

John Dixon, operations manager with BACM Developments Ltd. and Neville Bothwell, vice-president BACM Land Division, Edmonton Region couldn't justify the waste in the destruction of those beautiful trees in view of the contribution they would make to the appearance of Lacombe Park, therefore decided to move them to their present location.

Messrs. Bothwell and Dixon, with the full co-operation of John Beedle, St. Albert parks superintendent relocated the trees along McKenney Avenue. This main artery forms the southern boundary of BACM's Lacombe Park Subdivision and in view of this, it was felt that a string of giant evergreens would add greatly to the aesthetic effects of McKenney Avenue. This plan was found to be especially desirable in view of the fact that McKenney Avenue is being extended to Highway 2 and will become a natural

Evergreens, recently planted by BACM now line the northern boulevard on McKenney Avenue. These trees would have been destroyed if BACM Land Development officials hadn't taken the initiative and approved the cost of moving them to their new site. The above scene shows the 'Avenue of Trees' from the corner of McKenney and Dawson.

threshold for the Lacombe area.

Messrs. Bothwell and Dixon did not wish to reveal the cost of this undertaking, however, Mr. Dixon did hint that the whole operation cost BACM many thousands of dollars... over and above development requirements... but that the aesthetic results will pay off hand-

somely in the years to come.

John Beedle, parks superintendent here in St. Albert was very pleased with the generous addition to McKenney Avenue and has helped BACM with the transplanting of the trees and with the care of them since they have been planted. A recent storm uprooted a few of the trees and seriously tilted others, however, it is believed all 40 transplants will thrive in their new home.

## The Matchmaker shapes up

The St. Albert-on-Sturgeon Players has the first production of their 11th season well into rehearsal and are looking forward to the November 1st opening night.

The bright period comedy "The Matchmaker" will open the full season. This is the play on which the well known musical "Hello Dolly" is based and concerns the love and laughter in a day in New York of 1880's. Don Mills is directing the large local cast.

The four act play is a bright, colorful costume farce involving four couples in various romantic mixups. Starring in the production are some old familiar faces

as well as several new faces. Shirley Martin plays the lively matchmaker, Dolly Levi who almost meets her equal in Horace Vandergelder, played by Phil Upright.

Marla Scammell, Tony Sware, Peter Upright, and Susan de Hek add additional romance and laughter along with Loren Duplka and Dave Scammell. Also appearing are Carole Adams, Derek Webster, Susan Walde, Peter Wilcock, Don Engle and Brad Sinclair.

The Matchmaker will be performed for four nights, November 1, 2, 3 and 4 in the auditorium of the new Percy Page Centre. Tickets will go on sale October 15 but plan now to attend!!!

## Around Town

The St. Albert Singles were delighted with the response to their first public event. A crowd of about 200 attended their Fall Festival at the St. Albert Community Hall, Saturday night, and members report it was a 'roaring success'. The club feels this response indicates that the public considers the Singles as a recognized group with a part to play in the community and they are planning further projects of this nature in the future.

# Safety Exhibition opens Friday Noon

The St. Albert Safety Council will open its Safety Exhibition, "Safety Daze," with a short ceremony on Friday, October 5 at 12 p.m. in the Grandin Shoppers Mall. Representatives from the Alberta Government, the Town of St. Albert and the Preventive Social Services branch of the Dept. of Health and Social Development will take part in the program. The public is invited to attend. Safety Daze will continue through Friday and Saturday until 6 p.m.

The local elementary children taking part in the Safety Poster contest will have their posters judged on Friday afternoon and prizes will be awarded by Tiger Goldstick in a special ceremony on Saturday at 3 p.m. at the St. Albert Safety Council booth in the Mall. Ten "first

prizes," each consisting of five silver dollars, and 10 "second prizes" of two silver dollars each will be awarded according to school and grade at that time.

The following organizations and firms will participate in the Exhibition -- Alberta Alcoholism & Drug Abuse Commission; Alberta Motor Association; Alberta Safety Council; Arctic Safety Supply; Canadian Mental Health Association; Canadian National Institute for the Blind; Consumers' Association of Canada; St. Albert Branch; Edmonton City Police Dept.; Government of Canada, Dept. of Health and Welfare; Levitt Safety Co.; Pyrene of Canada; Red Cross Society; Water Safety; Riverside Sales; Royal Canadian Mounted Police; St. Albert Detachment; St. Albert

Fire Dept.; St. Albert Public Library; St. Albert Safety Council; St. Albert School District #3; St. Albert School District #6; St. John Ambulance; Standard Auto Glass Ltd.; Sturgeon General Hospital; Sturgeon Health Unit; Mr. Lorne Wood; Workmen's Compensation Board.

A display which should attract a great deal of public interest will be an oil fire demonstration on the parking lot conducted by special exhibitors using different types of fire extinguishers. The St. Albert Fire Department will be in attendance.

Films will be shown on Friday from 3 p.m. to 6 p.m. and Saturday from 9 a.m. to 12 p.m. and 3 p.m. to 6 p.m. The film roster consists of the following titles: 1. "Kitchen Safety . . . Fire Prevention in the Home"; 2. "Kitchen Safety . . . Prevention of Cuts and Sprains"; 3. "Kitchen Safety . . . How to Avoid Burns"; 4. "Safe Bicycling"; 5. "Hands, Eyes and Feet" presented by the Workmen's Compensation Board; 6. "Stories in the Snow" . . . (snowmobiling); 7. "Play Safe With Snowmobiles"; 8. "Stress and Safety"; 9. "Safety Equipment"; 10. "To Your Health . . . Drug and alcohol abuse." A Safety Display at the library is being set up in conjunction with Safety Daze

## Farther Afield

The news item last week revealing plans of labour unions to combine against powerful multi-national organizations has a potential as a balance of power force, needed "at this point in time" (to use the current jargon). However the approach of unceasing wage increases by international unions has done little to help the average worker whose gains are eaten up by inflated prices and higher income tax. The big union bosses are being paid plenty, and have the resources available to find a more imaginative and effective way of dealing with their counterparts in inbigtusiness.

Alderman Alma Evan's suggestion that Edmonton should pull out of the Provincial Government's foundation program for education takes on the appearance of "flexing the muscle" exercise which bears watching. Aldermen in large Canadian and American cities tend to get carried away thinking of the power involved in representing such large blocks of people. However the aldermen and alderwomen might do well to remember that they are right now facing considerable criticism with the way large cities are being managed at present. The equalized education program aims at providing equal opportunities for all children in Alberta between large and small municipalities, a concept that Albertans have shown

they support.

It would appear from public feedback that a majority of Canadians saw through the propaganda behind the media coverage of the Billie Jean-Bobbie Riggs tennis match for what it was. Not a male versus female contest, but a shrewd promotion to line the pockets of both contenders.

Notwithstanding the fact

that the U.S. offered almost immediate recognition of the new military junta in Chile, the Canadian Government should have known that they would not get the backing of Canadians by following suit. There were a few too many murders for our consumption and it was good to see people from right across the country speak out against the action.

## the Gazette REFLECTS Separatist Nonsense

It is interesting to follow the "crisis" - so tabbed by the news media commenting on the national energy situation vis-a-vis the Alberta position. A guest editorial from the influential Montreal paper, "Le Devoir" carried Sept. 25 in the Edmonton Journal, under the heading "Separatist Alberta?" is a case in point.

The editorial suggests that Premier Lougheed is "pushing things very far in hinting that Alberta will never consent to the introduction of policy he judges contrary to the interest of the province."

However western media might also make the case that Canada has never, since Confederation, been able to reach the goal of national unity BECAUSE the four western provinces were never granted the respect they deserved as a vast rich territory with potential equal to central Canada. This lack of awareness of what the west meant to Canada has resulted in the area being deprived of the economic consideration which they deserved from a federal government. For too many years Ontario and Quebec enjoyed federal support and protection, so they might develop their economic potential, while the west did not receive such federal support.

Because their population was far below the two powerful provinces in central Canada both the Maritimes and the West had less voting clout. The case western media might put to the "Le Devoir" is that national unity was sacrificed by a federal government more interested over 100 years in getting elected than in fostering Canadian unity.

If the energy crisis has given Alberta a lot of clout it is time we use it!

Having lived in both eastern and western Canada, we believe that westerners are far more informed about eastern Canada than vice versa. And more westerners are "Canadians first" than are Ontarians and Quebecers.

If the governments of Premiers Lougheed, Barrell, Blackney and Schlerer, each in their own way, and in combination, are able to prevent further federal policies being implemented which are "contrary to the interests of the provinces," all Canada will benefit.

It is ridiculous to even hint that Albertans would think for one moment of becoming separatist. The editor of Le Devoir could easily determine this fact for himself, were he to spend some time in Alberta.

## Reader Comment

### Rezoning method questioned

Mr. William Marsham of Forest Lawn district has raised some topical questions in a letter to Town Council and to The Gazette.

The area in question backs roughly on Finch Crescent to the north of Fenwick and is being rezoned from Agricultural to residential single family dwellings.

1. The notice of Public Hearing given in The Gazette of September 19th is misleading because it says that the purpose of the hearing is to rezone the land.
2. Judging from the activity on this piece of land over the past five or six weeks, this matter has already been decided.
3. If it has not been decided, who authorized the expenditure of thousands of dollars for the clearing of the land and the installation of drainage? Who is paying for this work?
4. If the public meeting is really to decide this matter, and votes to retain this land for agriculture, it is going to be the best drained, most expensive agricultural land in Canada.
5. If the question is still open, who has acted illegally in developing the land for housing before a decision has been made.
6. If the question has already been decided, then the public meeting is a waste of time. We will be presented with a fait accompli.
7. It seems to me that this is the fourth example of re-zoning land that has taken place in about as many weeks. As a new resident, this shows me that there is no comprehensive plan for the development of this town, and that no one can buy or build a house here with any confidence because the designation of a given piece of land may change from one week to the next.

The above points require answers, because they concern every person who lives in this community.

## Letter to the editor Oldest & Dirtiest

The Editor:

If something isn't done soon about the housekeeping of St. Albert, Town Council should consider changing the town motto to "Welcome To The Oldest and Dirtiest Town in Alberta."

Upon phoning the town engineer's department to complain about the dirt on Perron Street in particular, I was informed that only \$7,000 was allocated to the cleaning of streets per year. This of course is a ridiculous sum as that amount could be swallowed in winter clean-up alone. It seems to me that out of the huge taxes residents pay plus \$500 "Off-Site" charges when building a new home, that more money could be allowed to keep this pretty township clean.

Quite honestly if I had overseas visitors I would have been ashamed to have them walk down Perron Street this past spring and summer. Come on Town Council try and allocate more money for this pressing need and stop some of the free hand outs.

Ethel L. Ward (Mrs.)

# Alexander Band Signs Agreement With Thibault

The School Board of the Alexander Reserve and the Thibault School District in Morinville signed a one-year contract last Friday which provides terms for the education of all high school students of the reserve located about 15 miles northwest of St. Albert.

Present to sign the documents were Alexander Band Chief Fred Arcand and Reserve School Trustee Tony Arcand. Representing Thibault School District were chairman of the board Mrs. Anne Kryskow and secretary-treasurer Jeanne Beaupre. Officials of the Indian and Northern Affairs Department of Education supervising the adoption of the contract were E. J. Dossall, assistant regional director of education, D. Robbins, administrative officer, Edmonton Region and Louis Voghell, district superintendent of education, Edmonton-Hobbema District,

Dept. of Indian and Northern Affairs.

The agreement is the first one ever signed between these two parties, but similar agreements exist between several other Indian Reservations in Alberta and school boards nearby. The Alexander Indian Reserve high school students have been attending grade 10, 11 and 12 classes in St. Albert and Edmonton in past years. This arrangement was never entirely satisfactory because Alexander Reserve students had to be lodged in boarding homes and often strayed away from school. In fact, under these arrangements, the drop-out rate was abnormally high, which was one of the main reasons for striking an agreement with the Thibault School District.

Under the terms of the agreement, Alexander Reserve high school students will be bused to and from

the George P. Vanier High School in Morinville, thereby returning home every night instead of drifting in Edmonton and living in boarding homes where supervision was often lacking.

The two signing parties agreed to the tuition agreement as drafted by the Department of Indian and Northern Affairs' officials. Tuitions are borne by the Department including special project costs relating to the education of students, such as arts and crafts materials, industrial arts' materials and even some sport equipment and gymnasium clothing.

Chairman of the Thibault School District, Mrs. Anne Kryskow said the George P. Vanier High School in Morinville had more than adequate space for Catholic students of the Morinville area and cannot foresee any problems in accommodating up to 100 additional students from the Alexander Reserve or other centres.

Fred Arcand, Alexander Band Chief, school trustee and student councillor admits that this year, his Band will have only about 17 or 20 high school students attend-

ing Vanier High, however, Chief Arcand can foresee the day when most of the vacant seats there at Vanier will be occupied by Alexander Band high school students.

"We have many youngsters who are away from school right now," Chief

Fred Arcand confessed, "but we expect some of them back soon... also we have a good number of students in grade 9 this year, and these, we expect, will all want to continue into high school next year, especially now that we have this agreement with the Thibault School District."

For the special signing ceremony held last Friday at the Alexander Reserve, the conference room in the modern general office building was crowded with a good representation from the Alexander Band Council as well as from office personnel and interested citizens.

Tony Arcand, a member of the Alexander Day School Board for six years and now Band Constable, signed the high school agreement last Friday with the chairman of the Thibault School District Mrs. Anne Kryskow of Morinville. Seated in the centre is E. J. Dossall, assistant regional director of education, Indian and Northern Affairs Dept.

## Zone 2 ASTA Executives With Area MLAs

Directors and executive members of Zone 2 of the Alberta School Trustees Association met with members of the Alberta Legislature Sept. 21 to discuss school affairs. This is the first such meeting of members of the ASTA and MLA's and in view of its great success, both groups have agreed that similar meetings ought to be held bi-annually.

The informal meeting was chaired by R. McLaughlin, zone 2 chairman of Westlock. The morning meeting was attended by members of the ASTA Zone 2 executive

and directors while in the afternoon, two members of the legislature joined the meeting. They were Peter Trynchy, Whitecourt and William F. Purdy, Stony Plain.

Attending the day-long meeting were R. Bailey and Mrs. B. Howery, members of the Parkland School Committee; Mrs. Anne Kryskow, trustee Thibault School District; John McDonell, chairman of the Sturgeon School Division; Chris McDonell, secretary-treasurer St. Albert Catholic School District No. 3 who is also secretary of Zone 2 ASTA and S. Shewetz of Waskatenau.

Main points discussed included bus funding, School Foundation Fund collection costs, legislation, sharing of educational planning with departmental officials and other matters which will reflect on the quality of education for Alberta students.

## British give go-ahead England-France tunnel

The British government has given the go-ahead for building an undersea tunnel between England and France. Subject to Parliament approving a bill to guarantee private loans for more than two-thirds of the cost of the next phase of the project, initial works will begin once an Anglo-French Treaty and an agreement with the developers have been signed. It is hoped to complete these formalities before Nov. 15 this year.

The new works approved, which will cost some 30 million sterling, follow completion of preparatory studies.

They will include providing access to the tunnel on both sides of the channel and starting the service tunnel. Completion date for this phase is early 1975.

OPENS IN 1980  
Work on the two main rail tunnels, each 32 miles long and to be built either side of the service tunnel,

is expected to start in the spring of 1975 after a further agreement has been signed between the two governments and the international group of companies that is financing and engineering the tunnel.

Total cost of the tunnel by the time it opens in 1980 is likely to be 846 million. At least 84 million will be raised as risk capital; the rest will be private loans guaranteed by the British and French Governments. Government money will be called upon only if the project falls or is abandoned before completion.

The British Government, in a report published on Sept. 12, says while a Channel tunnel had been talked of for more than a century, the latest studies form one of the most detailed examinations ever undertaken of a major project.

"The project is feasible, it would be the best way to meet a growing need, and

acceptable arrangements have been made to carry it out," says the Report.

It continues: "Britain cannot be economically and socially isolated from the Continent. By 1980 the tunnel would be a physical recognition of our links with Europe."

THROUGH RAIL SERVICES  
The government also says the tunnel should be linked to London by a high quality rail system so that the potential for through rail services to the main centres of Britain can be exploited. This will cost about 120 million at present-day prices.

The tunnel, which will run from a point near Folkestone on the south east coast of England, to Fretun, near Calais in France, is not seen as just a link between Britain and the European mainland. It will also be a key link in a European rail network. Eventually new high speed trains are expected to use the tunnel to cut the London-Paris journey time to about two hours forty minutes. The London-Brussels journey time will be even less.

The Joint-Superintendent Selection Committee representing Catholic Schools in Morinville, Wetaskiwin, Westlock, Whitecourt and Drayton Valley announce the appointment of Mr. Norman Tretiak as superintendent of schools. He assumes the appointment on October 1st, 1973.

NORMAN TRETIAK

Mr. Tretiak was raised in Saskatchewan (Yorkton district). He holds degrees from the University of Saskatchewan, University of Al-

## North Central Schools Name Superintendent Central

berts, and University of Oregon. During his 26 years of teaching experience he has been involved in elementary and secondary levels of education in both rural and urban centres as teacher and administrator. He was a principal of St. Kevin School in the Edmonton R.C. Separate up to the time of his new appointment.

Norm and wife Grace, have three children, Laurette, Anne Marie, and Gene.

The North Central Catholic Schools, being the new name for the five above-mentioned centres, has been provided with school grant funds as per an amendment

of the School Act in July. The new monies provide for smaller school districts to purchase superintendency services or hire a full time superintendent on a joint-school basis.

It was in view of this new legislation that the five centres, namely: Morinville, Wetaskiwin, Westlock, Whitecourt and Drayton Valley decided to form the North Central Catholic Schools and appoint Mr. Tretiak as superintendent of those schools.

## Comets under new sponsor

JACK COHEN

St. Albert Comets president, Dave Lewis, advised the Gazette Monday evening that Jasper Auto Parts will sponsor the senior hockey team this season.

Jack Cohen, president of the auto parts firm on the St. Albert Trail, is well known in golf and curling circles and is looking forward to the coming hockey season. Mr. Cohen resides in Edmonton with his lovely wife Marilyn, sons Max and David and daughter Cherie. Comets last season were sponsored by Rudy Scheff-

hofer of Willowbrook Homes who stepped down this year to devote more time to watching the Comets, and his young sons, who play minor hockey. Rudy advised the Gazette he would continue to support the Comets where needed.

Comets first practice is scheduled for Thursday, October 4th from 10 - 11:30 p.m. and Sunday at the same time in the St. Albert Arena.

Interested players are asked to bring their own equipment, including sticks.

## Schwartz will coach juniors this year

Ron Yanosik, president of St. Albert's entry in the Capital Junior Hockey League announced Monday afternoon that Ken Schwartz has been named coach of the junior Bruins.

Yanosik was extremely pleased when Schwartz accepted the position as his knowledge of the game is exceptional. Schwartz is no stranger to St. Albert hockey fans. He played for the Comets in the late 1960's and coached them to a league championship in the 1969-70 season. He also coached the Comets in 1971.

During his playing days, Schwartz was a rugged defenseman for Baltimore in

the American Hockey League.

Practices are underway at the U of A Varsity Arena

KEN SCHWARTZ

and St. Albert's first ice time at home will be this Friday from 10 to 11:30 p.m.

Any players 19 and under as of December 31, 1973, are asked to attend with their own equipment including sticks and be dressed and ready to go at least 10 minutes before ice time.

## Kehoe leads Avengers to 5th straight win

St. Albert Avengers behind the strong running of Sean Kehoe defeated Jenner Pontiacs 24-15 Saturday to remain undefeated after five games in the Husky Bantam football league. The win gave the Avengers first place, two points up on the Pontiacs who were also undefeated going into the game.

The victory almost assured the Avengers of finishing in top spot in the north division, as they have only two games left in regular schedule play.

Kehoe rushed for over 300 yards including touchdowns yards including touchdown runs of 70 and 85 yards as Avengers built up an 18-1 lead at half time.

Terry Leddy also scored in the first half on a beautiful 50 yard pass and run play from quarterback Joe Tworek.

Carmen Cook scored the other St. Albert touchdown on a five yard reverse, in the third quarter to give Avengers a 24-1 lead going into the final 15 minutes. Pontiacs came back in the final quarter scoring two majors but couldn't catch the Avengers as time ran out.

Once again the whole team played as a unit with Mark Tworek, Frank Ammar and Craig Sutherland coming up

with strong defensive play. Tworek was in on 75 per cent of the tackles made.

Following the game the Avengers played a short exhibition game against the Connan Knights of the southern league at Varsity Stadium before the Golden Bear-B.C. Thunderbird game.

Avengers next game will be this Sunday at 11 a.m. when they take on the tough Bees at Kinsmen Park. Coach Rick Suggitt feels that this game will be their toughest to date, and a victory would assure them of first place.

This will give local fans a good opportunity to see their great team in action.

Two players were presented with unusual trophies at the annual Calahoo Chiefs Windup party Saturday night in Calahoo. Stubb Berube (left) was awarded "The Hole in the Bat" trophy for his great hitting while Erwin Rothweiller captured "The Indian Fighter of the Year," (courtesy of Johnson's Meat Market). Both recipients were extremely proud of their achievements and look forward to competing for them next year.

## Chiefs Vote Mitchell Most Valuable Player

For the second year in a row, second baseman Larry Mitchell was awarded the Paul Turner Memorial Trophy as the most valuable player on the Calahoo Chiefs fastball team.

The award, voted on by the players was presented by Chief coach Emile Berube at the annual banquet Saturday night in Calahoo.

The award is in honor of the late Mr. Turner who was well known for his athletic abilities in the Calahoo and Riviere Qui Barre area.

Two other awards were also given out with Stubb Berube and Erwin Rothweiller the recipients.

Stubb won the "Hole in the Bat" trophy for his batting skills while Erwin was the top "Indian Fighter of the Year."

Once again the ladies of the Calahoo Sports Association came up with an excellent supper. Club jackets were given to the teams new players.

Phillip and Cassie Kemp are shown holding trophies which they recently won in the St. Albert Tennis Club Junior Tournament. Newcomers to the St. Albert Club this year, both Phil and Cassie enjoyed considerable success in city and provincial tournaments as well as at the local level.

St. Albert's Golden Jets senior lacrosse team lost out in the provincial finals to Taber but their goalies fared quite well in league play. Goalies Bill Tieland (left) and Larry Davis (right) captured the Senior Spartan Trophy for the lowest goals against in the league this season. The pair allowed only 144 goals in 20 games with Tieland getting a 3.02 average and Davis a 4.0. Bill also had 24 assists with Larry chipping in with 19. The first year trophy was donated by former Spartan goalie Doug Walkey who was still playing at 45 years of age.

## ST. ALBERT RECREATION HIGHLIGHTS

### PHYSICAL CULTURE:

The 10 week session of classes in physical culture are due to start on Thursday, Oct. 4 in St. George Simpson School with a class for the 7 - 10 year olds from 6 - 7 p.m. (cost \$4.), one for the 11 - 14 age group from 7 - 8:30 p.m. (\$5), and one for the 15's and over from 8:30 - 10 p.m. for which the cost will be \$5 for students and \$8 for adults. Registrations are being taken at the Recreation Department at the Town Hall and will also be taken on the first night.

Physical culture is a series of movements performed to music which result in improvement of poise and posture and is very graceful way of attaining flexibility as well as good muscle tone. The classes in St. Albert will be conducted by Mrs. Margaret Thompson, who was responsible for introducing this particular form of exercise to Western Canada. She is also responsible for its increasing popularity because of her own great interest and enthusiasm.

### CHILDREN'S GYM:

An eight week session of children's gym classes is due to start on Saturday, October 13 in Leo Nickerson School. The class for the four - five year olds is now full but there is a waiting list and another class may be arranged if there appears to be sufficient interest.

There are still openings in the class for the six to eight year olds from 11 - 11:45 a.m. and registrations and fees (\$4.) are now being accepted at the recreation department.

### SQUARE DANCING:

The next regular dance of the St. Albert Sals and Sinners will be held in St. Alexander Mackenzie School on Saturday, Oct. 6. The group's dances are held on the first and third Saturdays of the month.

A class for beginners will be held on Friday evenings in the Clubhouse (beside the swimming pool) starting on October 5 at 8 p.m.

Phone Mr. and Mrs. Terrant at 459-6896 or Sid DeGulre at 459-7466 for further information about local square dancing activities.

## Sages Win Tennis Event

The final event of the tennis season was the 'family' tournament held recently with Bob and Cynthia Sage (the A section winners) being victorious over Lorne and Judy Wood (the B section winners) in the final game 6-3. This inaugural tournament which attracted 24 persons and included such combinations as mother and son, father and son, brother and sister as well as the numerous couples and will likely be a repeat event next season.

School Days Mean  
SAFE DRIVING DAYS

### ARTS & CRAFTS GUILD:

The rug-making class which was scheduled for this week has been postponed until Nov. 1 when it is expected there will be sufficient registrations to prevent it being cancelled altogether.

There is therefore still time to register and anyone interested should phone Lois Folkner at 459-7344 as soon as possible. The class will be held in the Library Meeting Room on Thursdays from 1:30 - 3:30 p.m. and the cost is \$9 for the six week course.

Phone Ron Prior at 459-6844 for information about this club which will be getting together on Tuesday

## Calahoo girls team holds windup party

By Liz McLeod

Sometime has elapsed since the final ball game for the Calahoo girls bantam team, but with so much activity around Calahoo it was hard to get together for a wind-up party. It was finally held on Saturday, Sept. 22 in the Gazebo with Marlene and Ann Berube spearheading the event.

These lively girls, Christine Moellmann, Carolyn Roddick, Charlene, Tracy and Barb Berube, Charlotte Kramps, Carol Karakonti, Lori Zacharias, Patricia and Cathy Mayo, Yvette Nault, Janet Werrell, Cheryl Quintal and Louise Gaudry under coach Myles Kerr, finished the league games by winning the cup and were deserving of this gettogether.

Games, singing, dancing and fun prevailed and to Myles's surprise his team

evenings in St. Albert High School, starting on Oct. 9. MIXED SPORTS:

Phone Mrs. Penny Kelsa at 459-6836 for information about a group which meets on Wednesday evenings and Bob O'Donnell at 459-3456 about a group which meets on Mondays. Both meet in Father Jan School and provide opportunities for both men and women to get some exercise in the form of volleyball, basketball, etc.

### ARENA SKATING:

A separate advertisement in this issue gives the hours for public skating in the Arena from October 4 - 14. The regular schedule will be published next week.

showed their appreciation for his guidance by giving him an autographed ball and a set of Citation cologne.

Winners, buns with pop were enjoyed before this happy event came to a close.

## Adult Education Program

St. Albert educators and citizens at large are gradually moving toward instituting an adult continuing education program. Supported by the Protestant School District No. 6 as per a recorded motion passed at a meeting held earlier this year, the program gained momentum last month when the school year commenced and evening typing classes were started.

According to reports received from the initiators of the program, more and more adults are showing interest in an ever-widening number of courses. Typing classes are presently being held at Paul Kane High every Monday and Thursday from 7:30 to 9:30 p.m. Instructors are also receiving requests from interested citizens in conversational French and German.

In view of the widespread interest in the continuing education program, Mr. John Bauman, assistant principal at Paul Kane High obtained permission to publish an advertisement in this week's issue of The Gazette in which interested citizens will find

a questionnaire. This questionnaire will also be made available at the Public Library and it is hoped all those interested in taking advantage of advance education courses will fill out one of those 'coupons' and make their wishes known.

In an interview with Mr.

Bauman, he told The Gazette that he would welcome an opportunity of speaking to interested groups, either social clubs, fraternal groups or any organization wishing to acquaint its members with the program. The number to call is 459-4406 and ask for John Bauman.

## Protestant SD Briefs

The No. 6 Protestant School Board approved an expenditure of \$170 for about 28 Grade 6 students of St. Alexander Mackenzie who will be making an outdoor education trip to Camp Mackinichole, located on Long Island Lake about 80 miles north of St. Albert. Mrs. Martin explained to the board that this trip will take place October 9-10-11 and serve to teach these students the finer points relating to the cost of living also living with other people in groups and in an outdoor setting. The whole trip is being planned by the students. Chairman of the board Charles Schroder voted in favor of this outdoor project, but requested an overall plan of all future trips from the Outdoor Education Committee before any additional projects are approved.

The board referred to the Buildings and Properties Committee a recommendation from the principal of Paul Kane High School for an outdoor 'smoking area'. In his recommendation, Mr. John Hyrenew explained that his students had no practical place within the school yard in which to smoke and urged the board to establish a 30 ft. by 60 ft. hard-surfaced area southeast of the Paul Kane entrance. Mr. Hyrenew also recommended that parking facilities for about 40 high school students who drive to school, be established. The Building and Properties committee was asked to report on both these recommendations at the next meeting.

School sites in the Akensdale Subdivision and Lacombe Park Subdivision were considered by the board in relation to the outline plans submitted by the developers. Although the sites were not approved in detail, size and number, they were approved in principle.

The No. 6 Board approved in principle the continuing education program as outlined by the newly-formed Cultural Co-operative Committee. Chairman Schroder had his motion approved unanimously, whereby the board supports the program but that costs be borne by the students through registration or tuition fees as determined by the C.C.C. Mr. John Bouman, who has taken a very active part in this program reported to the board that evening typing classes are underway and conversational French and German courses are

NORM -- 799-5854

presently being considered.

Four recommendations were received by the No. 6 Board and issued by the Administrators' Council. These include that replacements be brought-in when non-teaching personnel fail to report for work due to illness; that the Cold Weather Policy be reinstituted and that the key policy for teachers be reviewed. The fourth recommendation dealt with the co-ordination of student arrivals and departures and school openings and class dismissals. It appears, according to the admin. council's recommendation that students are forced to spend more than 15 minutes waiting in the morning or before they take the bus at the end of the school day. In view of weather conditions, the admin. council recommends that the said waiting period not exceed 15 minutes. Consideration will be given to solve this problem, either by hiring more supervisory personnel, stagger school hours or adding more buses to the

line of service. Before decisions are made, the board will await reports from the Economic Policy Committee on the first two issues and from the Administrators' Council on the last two recommendations.

A report from a school bus firm complained to the board that in many instances student passengers misbehave while on board school buses and something must be done about it before an accident results. The drivers complain that the student's behaviour often causes undue distractions which may very well lead to accidents. The board was sympathetic with the busing firm and agreed to refer the complaint to all principals of schools for immediate action. Assistant school superintendent Muriel Martin said that she had obtained a film which shows students how they must behave while on board school buses, and that this film is being circulated throughout the system.

## Ombudsman Extended To Calgary

The Alberta Provincial Ombudsman, Mr. George E. McClellan has announced the opening of a branch office in Calgary and Mr. W. E. McElhone will be in charge. The Calgary office is located at Suite 1010 Royal Bank Bldg., 335-8th Ave. S.W. Mr. McElhone comes to this position directly from the Ombudsman's office in Edmonton where he has been an assistant and investigator since the latter part of 1969.

All complaints are personally seen by Mr. McClellan, and all final decisions

are made from the Edmonton office at 729 Centennial Building.

## Salvation Army

The Salvation Army wish to thank their many customers in St. Albert for their continued support in donations of usable furniture, clothing and appliances to help carry on their Rehabilitation Program. Commencing on Monday, September 24 our pick-up service will be weekly service on every Monday. Please phone -- 429-4271 -- 9611 - 102 Avenue.

## Teachers have Option To Retire At Age 55

Bylaws enabling teachers to retire on full pension at age 55 are now being phased in.

This year, a teacher who retires at age 55 or more with an age plus service index of 94 will receive a pension without reduction for age. This could be a teacher who is 59 years old and has had 35 years of service. By 1975 a teacher retiring at age 55 with 35 years of service will receive a maximum pension. This would be an index number of 90, just three years ago this index number was 100.

According to Education Minister Lou Hyndman, one important benefit of the new bylaw amendments under the Teachers' Retirement Fund Act, is that a teacher with 10 years or more service, is now eligible for an immediate pension if he/she retires on or after his 55th birthday.

Teachers retiring before age 55 will now be eligible for a deferred pension be-

gining age 55, providing he/she has had 10 years of service and has left his pension contributions in the fund.

The new bylaw amendments also free teachers to claim as pensionable service, portions of their time which have been devoted to Department of Education, Alberta Teachers' Association or Canadian Teachers' Federation work.

Mr. Hyndman does not expect that the new regulations will mean a mass exodus of teachers at age 55. "People who enjoy their work are al-

ways reluctant to retire, and the pressure of our inflationary economy will tend to keep teachers in their classroom well past the early retirement age," Mr. Hyndman believes.

## Give Your Heating System a Safety Check-up

Normally, your natural gas appliances and heating system operate with little care or maintenance. However, an annual check-up will ensure full efficient operation and complete comfort. To help you inspect your heating system, use this handy guide.

**CHECK YOUR CHIMNEY:**

Loose mortar, soot, and other debris may accumulate at the base of the chimney obstructing free passage of the products of combustion. Watch that ice and snow on top of the chimney do not cause blockage.

**RANGES SHOULD NOT BE USED TO HEAT A ROOM:**

Do not use your kitchen range to heat a room. Use a proper heater designed for the purpose.

**CHECK ALL VENT PIPES:**

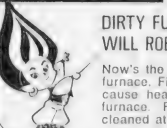

Examine all appliance vent pipes. A dislodged vent may block the end of the pipe, or permit exhaust to enter the room.

**BE ALERT TO DANGER SIGNALS:**

Smelling of the eyes, nose irritation and unpleasant odors are indications of fumes in your home.

**FRESH AIR SOURCE:**

Be sure there is a fresh air source in your home. Do not keep your home airtight. Your gas can accumulate and cause trouble.

### DIRTY FURNACE FILTERS WILL ROB YOUR HOME OF HEAT THIS WINTER

Now's the time to check filters on your natural gas furnace. Filters that are clogged with dust and dirt cause heat loss, and can cause damage to your furnace. Furnace filters should be replaced or cleaned at least twice a year.

**NORTHWESTERN UTILITIES LIMITED**

Serving Albertans since 1923.

Pictured here are some of the many parents who took the opportunity last Tuesday, September 25, to meet informally with the teachers of Sir George Simpson Junior High School. The occasion was a coffee party organized by the teachers. Conversation during the evening centered on the school's extra curricular program for the coming year.

# **Around Town**

The St. Albert Community Hall was the scene of much activity on Saturday when the Sturgeon General Hospital Auxiliary had their Next to New Sale. There were bargains galore and it is reported that business was very brisk for the first few hours of operation. The members of the auxiliary were well pleased with the

results of the day's work and most appreciative of the support given by people of the community. The proceeds of this sale will go towards much needed equipment at the hospital.

St. Albert has gained some interesting new people from the Villeneuve district, with Ed and Laura Savole in Mission Park, Juliette Lema and daughter Lorette in New Braeside and now Simon and Julia Outmet and son Paul in Lacombe Park.

Chief Fred Tetarenko was back on the job at the fire hall Monday morning after a most enjoyable holiday in France, Holland, West Germany, Scotland and England, accompanied by his wife Rosaline. They found the standard of living in West Germany close to ours, but prices a little cheaper, but elsewhere people were not as affluent as Canadians. Transportation-wise and building-wise they thought France was very different from here, and Scotland was the place where scenery was most like Alberta and B.C. Rosaline visited relatives in Glasgow and the Isle of Lewis, including her only living uncle and two cousins, all of whom she met for the first time.

A week of excitement and suspense ended at Sir George Simpson Junior High School Friday with the election of the Students' Union Executive for the 73-74 year. Cam-

paign posters papered the hallways throughout the week and Thursday ended with a political rally, each candidate speaking to the assembled school population. Friday's results were as follows: Girls Sports Rep. - Lee Rae (acclamation); Boys Sports Rep. - Mitchell Smith Secretary - Penny Lou Williams (acclamation); Treasurer - Wendy Brown; Social Convenor - Kathy Wilkinson; Vice President - Sandy McKay and President Mark Stedelbauer.

# **Junior High School Gets \$1,800 Boost**

Principal of Lorne Akins Junior High, Mr. J. B. Findlater obtained a financial boost to his school's budget of \$1,800 on a motion by Chairman Charles Schroder which was carried unanimously.

In speaking to his recommendation, Mr. Findlater informed the board that the Lorne Akins School, being a newly-developed facility, requires about \$1,800 with which to purchase a wide array of supplies for industrial arts, home economics laboratories and the library.

Trustee Bill Webber asked Mr. Findlater to give him an idea of the items required. Principal Findlater read off part of a list of items which included pencil sharpeners, photo section materials, leathercraft and other hand tools, ceramics equipment, science lab. equipment etc.

The \$1,800 in additional funds were urgently required to purchase the inventory of miscellaneous supplies for this newly developed junior high school. The board recognized the situation in view of the fact that the junior high students previously formed part of the Sir Alexander Mackenzie school. Therefore, by establishing a separate junior high plant, materials as listed above would naturally be lacking in the newly-designated Lorne Akins Junior High.

This looks like as good a spot as any

The Brownie and Guide paper salvage depot is in operation again. This year there will be a regular truck pick-up at the depot which is located behind the museum of the R.C. Church, every Thursday at 7 p.m. A paper bin will also be at the depot alternate weekends. Next bin date is October 6. The new policy of the Edmonton Salvage Company requires all newspaper be bundled separately from magazines and books. Please assist us by securely bundling your salvage paper. For information call 459-7549.

## **ERICKSEN DATSUN LIMITED APPOINTMENT**

Mr. M. Moe Wiederspiel, President of Erickson District Limited, is pleased to announce the recent appointment of Mr. M. Moe Wiederspiel to the position of General Sales Manager. Mr. Wiederspiel has twenty years of experience in the automotive industry. Mr. Wiederspiel is a married man with three children. He would like to take this opportunity to invite his many friends to visit him at Erickson District Limited. Erickson Datsun Limited is a Major Datsun dealership offering the sale of new and used automobiles and trucks.

## Lorne Akins To Hold Opening October 4th

On Thursday, October 4, 1973 the staff and students of Lorne Akins Junior High School are holding an infor-

mal School Opening and Meet the Teacher Night at 7:30 p.m.  
All parents and interested

members of the community are invited to attend. There will be a short ceremony in the gymnasium followed by a tour of the school and Meet-the-Teacher sessions in the classrooms. Several presentations will be made including the honoring of the winners of the Name-the-School contest held some time ago.

Mr. Neil Ross will present a biography and account of his personal memories of Lorne Akins and several members of the Akins families will be present. Coffee will be served. Please come.

Mrs. Molly Laderoute of 25 Sunnyside enjoyed being introduced to Mrs. Percy Page on the day the Centre was opened. Molly had the honour of cutting the ribbon to open Mission Park School on January 14, 1952, and she was also a student of Mr. Page at McDougall Business College.

## Province Unveils New Senior Housing Plan

Hon. Dave Russell, minister of municipal affairs also chairman of the board of the Alberta Housing Corporation has announced recently that the Alberta Housing Corporation will proceed immediately with the government's new senior citizens' housing program.

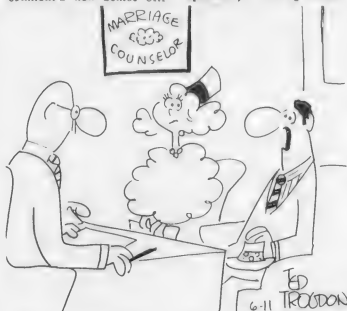

The main objective of the program is to provide a more effective system of housing for senior residents of Alberta. Applications for such projects are now being considered from a number of sponsors, including founda-

tions, individual municipalities, service groups, religious organizations and non-profit societies.

Two types of accommodation will be made available, lodge facilities and self-contained units. Lodges are initiated and paid for by the Alberta Government and provide room, board and recreational facilities. Meanwhile, self-contained rental units are also paid for by the Alberta Government but are being initiated by a wide variety of groups throughout Alberta.

One of the most attractive features of the new program will be the rents geared to income. The minimum rate for a single person may be as low as \$22 per month or \$75 for a couple and these rates include basic utilities.

The Alberta Housing Corp will assume total responsibility for the capital funding of all projects. However, any operating deficits incurred by the lodges will remain the responsibility of the sponsoring non-profit organization. The subsidies required for the self-contained units will be shared equally by both the federal and provincial governments. Ultimately, the projects will be owned by the corporation.

## Music scholarship awarded locally

Paul Dykstra of 16 Greenwich Crescent is the recipient of the Madame Lesaunier Memorial Scholarship, established by Mrs. Lillian Upright of St. Albert following the death of the famous pianist in 1971. It is presented to a piano student of musical promise making the most progress over the year and is for one year of free tuition.

Paul completed both Grade

nine and ten piano over the year, achieving first class honors in both grades, and also competed most successfully in the Kiwanis Music Festival, winning two classes and a scholarship. He is now enrolled in first year Bachelor of Music pattern at the University of Alberta, under Dr. H. Brauss. Last year's winner of the scholarship was Lori Katarlus.

PAUL DYKSTRA

## Nursery school opening in shopping plaza

Mrs. Betty Minchin who is opening a preschool nursery school in the Sturgeon Plaza shopping centre has 21 years experience working with children in the three to five age group.

Part of her training she

received in England where she was a professional Nanny for seven years and in addition was trained in nursing and in teaching at the Children's Hospital in Newbury, where she spent six years.

The Minchins came to St. Albert recently after six years in Ontario, where Betty was nursing supervisor at the Loyal True Blue and Orange Home. Prior to that they had lived in Edmonton and Mrs. Minchin did not work in this period, when her own family were small.

The school will employ an assistant who is a qualified music teacher plus such additional trained staff as is required. The emphasis is on relaxed learning experiences rather than a rigid program, said Mrs. Minchin. At present she is busy getting furniture assembled and materials ready for opening on November 1st. Registration will be taken Oct. 8th. Fee is \$10 per week, which includes all materials and supplies and milk and cookies at each class.

## Soulodre - Georget Wedding

By Lucienne Montpell

On August 24 the Immaculate Heart Church in Edmonton was the setting for the lovely afternoon wedding of Miss Cheryl Georget to Maurice Soulodre. Father Roger Roy from the College St. Jean celebrated the nuptial mass for the daughter of Mr. and Mrs. Rene Georget from Legal and the son of Mr. and Mrs. Paul Soulodre from Edmonton.

Floral arrangements of gladiolus and white candelids decorated the front of the church. The scripture readings were read by the bride and groom.

Given away in marriage by her parents the charming bride was elegant in her Paris design in the oriole pattern gown of white georgette over taffeta with full circular skirt sprinkled with pale pink petals. Her dainty bodice featured a rolled collar, cummerbund and long sheer sleeves cuffed with pale pink and white petals. A cluster of matching petals held her veil of fine net with a short train. She carried a single pink long stem rose.

The bride's attendants Misses Dolores Carriere, Simone Doucette, Sharyn Favreau, cousin of the bride and junior bridesmaid Alice Prefontaine, chose identical pink polyester gowns with short puffed sleeves. They carried a single pink rose. Best men were Ron Lavoie, Daniel Poulin, Leo Soulodre and Bryan Georget. Ushering the guests were

MR. & MRS. MAURICE SOULODRE

Jules Gareau and Levis Bergeron.

The wedding music was by Mrs. D. Favreau, organist, vocalist was Mr. Levis Bergeron. Violinists Sharyn Laurel and Joylyn Favreau rendered several appropriate selections.

Following the ceremony a banquet and dance was held at the Club Mocambo.

Andre Roy was master of ceremonies and called upon Mr. Denis Favreau, uncle of the bride from Prince Albert, Sask., to propose a toast to the bride.

To receive her guests Mrs. Georget chose a pink polyester floor length gown featuring a lace bodice complimented by a corsage of white baby roses. Mrs. Soulodre had chosen a blue flowered sheer gown with white baby roses on corsage.

Numerous out of town guests came from Winnipeg, Toronto, Prince Albert, Domremy, Bellevue, Lloydminster, Calgary, Medicine Hat, U.S.A., Falher and surrounding districts.

The happy couple will make their home in Winnipeg.

## General Named to London Office

Federal and Intergovernmental affairs minister Don Getty announced recently the appointment of Herbert K. Pickering, agent-general at Alberta House in London, England. Mr. Getty said, in making the announcement, that this appointment was a start in the general upgrading process of government offices abroad.

The provincial minister of federal and intergovernmental affairs said further strengthening of the London office will take place in the near future with the appointment of an industrial development officer, a tourism officer and an agricultural marketing officer.

Mr. Pickering's appointment will become effective November 1 and on that date he will become the official representative of the Province of Alberta in the United Kingdom.

Manitoba where they will attend the University of Manitoba.

## LION'S LIGHT BULBS

OCTOBER 15 - 16 - 17

## Church Chuckles by CARTWRIGHT

"Junior despises the world's fouled-up, twisted values! He prefers his own fouled-up, twisted values!"

June Kendel and Eileen Gillard, of the Ladies Auxiliary to the Royal Canadian Legion, enjoy the antics of Denny Taylor, president of St. Albert Branch, as he reaches way down in the ticket hamper to find the winner of the Auxiliary's \$100 money doll. The winner was W. Hartwich of 12323 Stony Plain Road and quite a number of Legion and Auxiliary members were on the scene when the draw was made at Grandin Mall, Saturday afternoon.

## WI members enjoy SHAPE slides

The September meeting of the Women's Institute was held at the home of Sharon Taylor with 15 members present.

One minute silence was observed in memory of Mrs. Freda Weller who passed away last week. Mrs. Weller had been active in W.I. for

52 years.

A cheque was received from the Edmonton Exhibition Association for the WI's participation in the handicraft displays during Klondike Days.

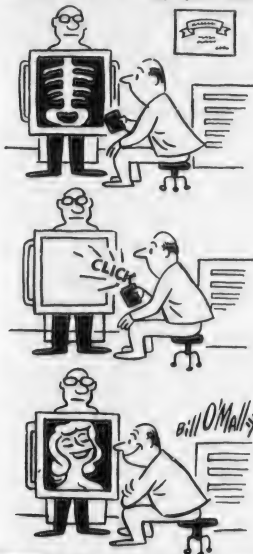

Lorraine Moore reported on the opening of the Percy Page Sports Centre at which

the WI ladies served refreshments.

Val Barkhouse will be in charge of Tea Money for the next year.

Guests for the evening were Mr. and Mrs. Barry Findlater who showed slides dealing with schools and school life in the SHAPE International School. The Findlaters spent three years in Belgium with the Department of National Defence with Mr. Findlater teaching students in the Canadian Section of SHAPE International School.

The October meeting will celebrate the 27th birthday of the St. Albert Women's Institute.

## Staff holds party for Dan O'Connell

Municipal employees held a farewell party in the curling rink on Saturday, Sept. 29th for Mr. D. B. O'Connell, chief administrator for the town whose resignation became effective September 30. In all, Dan had been an

employee of the town for 10 years. Although the party was not really an occasion for celebration, it was very much a social success. During the evening, presentations were made to Mr. O'Connell from the staff and

from the Town Employees' Social Club. These were followed by a rousing chorus of "For he's a jolly good fellow" and Dan replied in a suitable fashion. When asked about his plans for the future, all he would say was that he was "going fishing."

## Witnesses Begin Bible Talks Here

A new series of public bible talks is being featured at the St. George Simpson School every Sunday at 10 a.m. The talk for this coming Sunday is "Will You be a Survivor of the Last Days?" Jehovah's Witnesses invite all in St. Albert and territory to become acquainted with bible prophecies for our time, the central theme of many of these talks.

"St. Albert is growing so fast," says William Grywul, congregation overseer of the Kensington congregation of Jehovah's Witnesses, "that we have decided to start public bible discourses in that area. The solution to problems facing mankind today is found in God's Word the Bible, and we want to extend the opportunity to the residents of St. Albert to know what bible prophecies mean for our day."

All meetings of Jehovah's witnesses are free and no collections are taken.

## MacLeod Store Manager Named Zone Supervisor

Jack Pickett, manager of Macleods here in St. Albert since its opening one year ago has accepted a promotion as zone supervisor of 23 stores located in the southern part of Alberta from Leduc to the Montana border. Mr. Roger Poulin, a native son from St. Paul, Alberta, who has been with Macleods at Bonnie Doon is now the new manager of the St. Albert store.

Mr. Poulin started in his new position Monday, September 1 while the former manager, Jack Pickett left on

Monday for Winnipeg where he will undergo a two-week training period before assuming his new position. The Picketts will be moving to Red Deer sometime in November after Jack has completed his training period and settled into his new job.

Mr. and Mrs. Poulin and their two children live in Edmonton where Mrs. Poulin works at the Glenrose Hospital. The Poulins have no firm plans about changing their home address, "not for the time being," Mr. Poulin said.

# REPORT FROM PARLIAMENT

By Dan Hollands, M.P.

Pamonia Constituency

The present policies and attitudes of the federal government towards the four Western Provinces pose the greatest threat to Confederation that this country has ever faced.

Unless the government in Ottawa is prepared to recognize this, and make the necessary adjustments, we will find ourselves in a crisis situation that could well be beyond our ability to control.

While I am concerned about the Western Provinces

federal government engage in these talks, results are usually obtained, but this has not been the case where Western Provinces are involved.

As recently as two months ago the prime minister called a conference with the four western premiers. Questions were raised, complaints were heard, and promises were made. We too expected that results would be obtained, but we are still waiting.

## Threat To Confederation

as a group, my main concern, understandably, is with the Province of Alberta. Our province has been bearing the brunt of the government's anti-western policies for a very long time, and I am joining the fight for a better deal for our province.

As a rule, problems between the federal and provincial governments are resolved at conferences or in top-level negotiations. When central provinces and the

The Western Premiers protested about discriminatory freight rates in the Western Provinces. They reminded the prime minister that he has made promise after promise that something would be done to remove the inequities, but so far nothing has changed.

Another example of the government's blatant disregard for the welfare of the western producer was the imposition of the embargo

on beef. I don't believe that the embargo was necessary, and in fact I believe that it was just a slap at the U.S. when that government put an embargo on exports of certain food items.

However, even if the embargo was necessary, it should have been done differently. The government displayed total ignorance about the problems involved in the movement and marketing of western cattle. The embargo was slapped on right at the peak of the marketing week without warning, and near chaos resulted. For the first time in history, public stockyards were closed down in an effort to restore some sort of order.

Movement and marketing of western cattle is highly specialized, and any sudden interference in this procedure, especially from the federal level of government, can be critical and even disastrous. If the government had consulted with the trade before action was taken, then the effect on the markets could have been kept to a minimum.

It was pointed out at the July conference that western wheat growers needed protection from shutdowns of rail service from strikes. And yet, during the recent nation-wide rail strike, the government waited for several weeks before deciding to recall Parliament to get the trains moving again.

For years the Province of Alberta has been urging the government to formulate some type of national energy policy, taking into account that natural resources are

the property of the province in which they are located. Ottawa has refused so far to develop such a policy, preferring instead to play it by ear, implementing ad hoc policies where and when it suits them.

The latest example of this attitude was the imposition of a 40 cent per barrel export tax on crude oil shipped from Alberta to the U.S. The United States is the largest customer for Alberta crude, and besides the danger in jeopardizing this market for crude, the government's action was a direct attack on the provincial sovereignty of Alberta.

This was not a policy implemented on a national scale, Alberta was obviously singled out, and the export tax was imposed without even the decency of consultation with the provincial government. Premier Lougheed responded by saying that it appeared to be "the most discriminatory action taken by a federal government against a particular province in the entire history of confederation."

I agree with the premier wholeheartedly. Western problems do not appear to be of any interest to the government in Ottawa, and in fact we are being singled out for discriminatory treatment over and over again. Premier Lougheed has announced that he is taking action to protect the interests of Alberta and of Albertans. He is right, and I serve notice here and now that, whatever Premier Lougheed decides to do, I am behind him one hundred per cent.

## Richardson Grain Letter

This year's harvest which started off on such an optimistic note has turned out a little sour, frequent frost and too much rain have caused frequent delays in bringing the balance of the unthreshed crops under cover. Bushel losses have occurred in some districts and cereal

grades have been affected. It appeared earlier as if harvesting operations would have been finished by this time but it now looks like it will not be finished until the middle of October at the earliest given a period of warm, dry weather.

The Wheat Board contrac-

ted to supply Poland with 50,000 tons of wheat and 50,000 tons of barley, India 50,000 tons of wheat, Algeria 100,000 tons and 15,000 tons to Zambia. This will be shipped this year and the Japanese Food Agency bought an undisclosed amount of wheat and barley. There were lots of rumors regarding flaxseed sales but we could confirm only a small lot to Japan and that country also bought a few parcels of rapeseed. It has been reported that the Government will be making a gift of \$15 million to India for the purchase of rapeseed and rapeseed oil, but the details have apparently not been finalized as yet.

The flow of boxcars in the grain movement from the country to terminal ports has barely been enough to meet arriving vessels, and it will be some time yet before the situation is back to normal. This has resulted in a high percentage of plugged elevators and some frustration on the part of farmers who would like to sell the fruits of their labours.

The Canadian Wheat Board have projected final payments for wheat, barley and oats for this year's pool and they came up with figures of \$2.67 a bushel for top grade

wheat, \$1.36 for malting barley, \$1.06 for 1 FD, 21C for top grade oats and 17C for 1 FD, all basis Thunder Bay. These figures will be reviewed monthly and revised upwards or downwards depending on the situation at that time. The Agriculture Products Board buying price under the new feed grains policy is based on the initial payment plus half of the Wheat Board's estimated final payment and they have come up with a price of \$1.38 for barley and \$1.16 for oats basis Thunder Bay, they have not as yet indicated a price for feed wheat. If the producers delivers his barley and oats to the A.P.B. he will receive cash for his grain and will not participate in the Wheat Board Pool and thus will not be eligible for the final payment. Under these conditions it is difficult to visualize the A.P.B. building up any sort of a stockpile of feed grains and as we understand it any losses incurred by the A.P.B. will be charged up to the 1973-74 Wheat Board Pool unless the government changes direction once again. The federal minister responsible to Parliament for the Wheat Board is starting a Western Junket to explain the new policy and we hope he has the answers.

## Schaub - Ringuette Wedding

By Jeanne Laplante

Father E. Croteau conducted the wedding service uniting Irene Ringuette daughter of Mr. and Mrs. Henri Ringuette of Vimy and Robert Schaub son of Mr. and Mrs. Philip Schaub of Plamondon. The triple ring ceremony took place in Our Lady of Victory Church, Vimy on Sept. 22. Mrs. Gertie Trovencal played the wedding music and sang the solos.

Coming down the aisle with her father and mother, the bride was lovely in a long gown of white peau de sole featuring a self-forming train. Her silk illusion veil was held in place by a crown of pearls and she carried a cascade of pink roses.

The bridal attendants, Louise and Marguerite Ringuette were charming wearing gowns of lime green crepe with white daisy trim

and white picture hats. They carried nosegays of pink and white roses. The groom was attended by Rene Schaub and Noe Gauthier.

Following the ceremony, a reception and banquet was held at the bride's home. To receive her guests the bride's mother chose a floor length gown of multicolored crepe with silver accessories and purple roses encorstage. Mrs. Schaub wore a gown of mauve nylon over taffeta, purple roses formed her corsage and her accessories were black. A wedding dance was held in the Vimy Community Hall with some 350 guests in attendance.

For a wedding trip to Banff and Jasper the bride donned a turquoise pant suit with white roses encorstage. The newlyweds will make their home in Edmonton.

## no hang-ups... with an electric dryer & washer

Wet wash is a hang-up. In more ways than one. So drop those clothespins and THINK for a minute. Weigh the value of your time and energy. Then consider the powerful advantages of the electric dryer-washer duo!

- Gets the job done day or night - no waiting.
- No fading by sunlight.
- New machines - automatic tumblers - electric driven with built-in ironers.
- Automatic tumble-drying - easier on clothes, keeps them softer and fluffier.
- Save. On the average, an electric dryer will cost you 1/2 the cost of a gas dryer.
- Cuts ironing time to a minimum - tumble-drying clothes, moisture with built-in ironers.

Get rid of your hang-ups. See your appliance dealer.

ELECTRIC SERVICE LEAGUE OF ALBERTA

MR. & MRS. RONALD BOISVERT

## Langley - Borle Wedding

By Grace Brennels

St. Peter's RC Church at Villeneuve was the scene of a pretty afternoon wedding August 22 when Miss Doreen Borle, youngest daughter of Mr. and Mrs. Cyril Borle of Villeneuve became the bride of Mr. Lloyd Langley of Mayerthorpe.

The ceremony was performed by Rev. Father Cunningham before an altar decorated with gladioli and spring flowers. Mr. and Mrs. Harold Borle, brother and sister-in-law of the bride gave the readings. Dan and Violet Brennels sang the wedding hymns, accompanied by Dawne Brennels on the organ.

The bride was escorted

of honor, wore a gown of orange ice. The three godchildren - Debbie, Kim and Anne-Marie wore identical gowns of floral orange design and color. All carried bouquets of daisies. The ushers - were the bride's two brothers - George and Harold Borle.

For her daughter's wedding, the bride's mother wore a lovely gown in tones of pink and beige, with beige accessories and red sweetheart roses on corsage.

Following the ceremony, a reception was held in the Villeneuve Community Hall, where 150 guests were received by Mr. and Mrs. Cyril Borle.

Mr. George Borle was emcee for the evening and called on Dr. Hayhurst of Whitecourt, a friend and associate to Doreen, to propose the toast to the bride.

In the evening a dance was held in the Riviere Qui Barre Recreation Centre for about 400 guests. Music was supplied by the Satellites orchestra.

For her going away outfit, the bride donned a way and bone polyester dress complimented with navy accessories and a corsage of yellow roses.

After a honeymoon to the mountains and points in B.C., the happy couple will make their home in Mayerthorpe.

Out of town guests were from Mayerthorpe, Whitecourt, Three Hills, Calgary and Edmonton.

Millie Kirbyson, matron

of honor, wore a gown of orange ice. The three godchildren - Debbie, Kim and Anne-Marie wore identical gowns of floral orange design and color. All carried bouquets of daisies. The ushers - were the bride's two brothers - George and Harold Borle.

## Legal couple married in St. Emile church

By Lucienne Montpetit  
A beautiful late afternoon ceremony at St. Emile's

### New Home & School in Morinville

All citizens of Morinville received a strange "Birth-day Announcement" last week. It was a card announcing the birth of the Morinville Home and School Association.

The first general meeting of this association is to be held on Tuesday, October 9 in the Georges P. Vanier High School. The program committee of the association has planned a very interesting program on the theme of 'communications'. A film will be shown to kick off the topic.

The committee felt 'communications' seemed to be the greatest problem that our society faces at all levels and it would be best to deal with this problem at its very first meeting.

All are invited to attend.

Church on Sept. 15 united Sylvia Auger and Ronald Boisvert. The bride is the daughter of Mr. and Mrs. Rea Auger and the groom is the son of Mr. and Mrs. Raoul Boisvert all from Legac.

Father Roland Bissonnette celebrated the nuptial mass. Doris Auger, sister of the bride, read the scripture readings in the sanctuary graced with fall arrangements of yellow gladiolus and orange mums.

During the ceremony vocal selections were rendered by Mrs. Rogelle Pelletier, Mrs. Dolores Brissou and Mrs. Lucienne Montpetit and Patsy with Elaine Blodreau at the organ.

Escorted down the aisle by her parents the radiant bride was gown in a white spanish lace gown featuring its own train of layered lace stand-up collar and cuffed full sleeves. Her headpiece of white blossoms held her shoulder length veil.

Attending the bride were Doris Auger, sister and Angelina Auger cousin of the bride. They chose identical gowns of flower garden and yellow nylon sheer over tiffeta, and carried bouquets of white and yellow roses.

Best men were Raymond

Garneau and Darcy Iseke. Ushering the guests were Jim Borduzak, brother-in-law of the bride) and Leonard Boisvert (brother of the groom).

In the absence of Father Bissonnette, Mr. Ferdinand Martineau said grace. A banquet at the Legal Community Hall was held for some 175 guests. Ronald St. Jean was master of ceremonies and called upon Ernest Pelletier to present the toast to the bride, Mrs. Rogelle Pelletier and Mrs. Dolores Brissou sang several appropriate selections at the banquet.

In the evening some 375 guests enjoyed the dance and refreshments.

Mrs. Auger received her guests in floral nylon chiffon over yellow taffeta gown complimented by a corsage of yellow roses, and white accessories. To receive her guests, Mrs. Boisvert wore a rose floral nylon over acetate gown with soft pink roses on corsage and white accessories.

Ronald and Sylvia will make their home in St. Paul.

Out of town guests came from St. Paul, Slave Lake, Edson, Wetaskiwin, Calgary, Edmonton, Ontario, Manitoba and surrounding districts.

BY TOM TREMFIX

Question: My basement has a faint musty odour, even though I have a dehumidifier in it. Would painting my basement floor help? If so, what kind of paint should I use?

Answer: Yes, painting will definitely help, provided you use a paint that's specially made for concrete. The paint is called Colortread. It's a rubber-base finish that effectively protects and decorates concrete floors. And it dries in about two hours to a tough, high-gloss, easy-to-clean finish. What's more, should you decide to tile the floor later on, you can do so without having to remove the Colortread paint. Meanwhile, your floor will look great, and you'll get rid of annoying "concrete odours" as well as musty odours.

EASY TO USE

You don't need any primer or sealer, but you should make sure your floor is clean and dry. The fastest way to apply the paint is with a mo-hair roller or brush.

One coat of Colortread will cover solid in one hour and dry in two hours. Apply a second coat if the concrete is very porous. That way, you'll get the longest wear. One Imperial gallon of Colortread will cover approximately 400 sq ft.

Because of its rubber content, Colortread is not influenced by free moisture or dampness. And that should help solve your musty odour problem, as well as improve the appearance of the floor.

For free information on concrete paints, write to Tom Tremfix, The Tremco Manufacturing Company (Canada) Ltd., 220 Wickenburg Avenue, Toronto 17, Ontario.

## Japanese Pony Club Buy Alberta Horses

The Alberta Department of Agriculture's livestock supervisor Jack Kerns announced this week that 58 horses purchased in Alberta were transported by charter aircraft to Osaka, Japan.

In his announcement, Mr. Kerns said the horses are of the Welsh, Kanata, Appaloosa and Quarter Horse breeds. They are to be used by Japanese children who want to learn to ride for pleasure.

No prices were revealed, however, Mr. Kerns said the purchases were made through an American brokerage firm and Alberta Breed Association representatives.

## Noted Morinville Teacher Dies

SISTER ALBERTE  
MARIE F.D.S.

By Flo McGinnis  
Germaine Bolsvert was born September 16, 1903 at Morinville, daughter of Joseph Bolsvert and Angelina Desroches. Germaine took her primary schooling at the Frontenac school, her elementary education at Thibault, and completed her high schooling at the Notre Dame Convent directed by the Filles de Jesus.

Entering the Novitiate of the Daughters of Jesus at Three Rivers, P.Q. on the 2nd of August 1927, Sister Germaine took her perpetual vows on August 4, 1929. As a young Sister, she had worked at the Lac La

Biche Mission for one year before she went to Pincher Creek to take a nursing course. But it was not her calling. She had been dreaming of being a teacher and continuing the work of her mother Mrs. Joseph Bolsvert, who had become the first qualified teacher to teach French in Morinville. So it was Normal School for Sister Germaine from 1931-32.

Those who admit being less young will remember Sister Germaine (Alberte Marie) as a teacher at Thibault from 1932 to 1936, or at Plamondon from 1936 to 1947, or again at Beaumont from 1947 till 1956. In 1956 Sister Alberte Marie came back to Morinville with her "little ones" for 14 years.

This teacher was known to everyone for her hearty laugh with a smile always on her lips, and an angel of patience. She developed the love of the Lord in the hearts of each of her pupils, and she also instilled in her pupils the pride of being French-Canadian.

The adults will remember Sister Alberte Marie as an active member of the A.C.F.A. and a member of the executive of the Teachers' Billual Association of Alberta.

It was in 1970 that this content and devoted person had to retire from teaching because of ill health. It was on Sept. 12 that Sister Alberte Marie passed away after a long suffering illness.

The prayers and funeral were held at the "Maison St. Joseph" with burial in the Holy Cross Cemetery, Edmonton.

Left to mourn her passing are one sister, Marie-Anne Beaupre of Morinville, and two brothers, Avidé Bolsvert of Athabasca and Wilfred Bolsvert of Vancouver.

Pallbearers at the funeral service were: Mathias Tellier, Paul Hogue, Leon Riopel, Maurice Magnan, Alex Berrube, and Leopold Magnan.

## MORINVILLE MEMOS

By Flo McGinnis

On Tuesday, Oct. 2 the initial registration for dancing classes were held at the Recreation Centre. By the turnout at the registration it looks like the dancing classes are a welcome addition to the Morinville recreation scene. It could be quite possible to have a teen and adult evening class so you are encouraged to call 256-3321 and discuss it with the program co-ordinator, Jean Smith. Sponsored by the Sturgeon Regional Recreation Council, these lessons are only costing the pupils \$4 per month. It has been several years since dancing lessons were held in Morinville and the Local Recreation Board feels sure that they are a welcome addition to the activities presently offered. Pupils are accepted from the age of four years.

Mrs. Dorothy Daignault has her sister visiting from Montreal, Mrs. Esther Jalbert.

Mr. Hector Gibeau has recently returned from a trip down east with a charter group. They flew from Edmonton to Toronto and then travelled by bus. In Toronto Mr. Gibeau met his son Joseph and in Montreal he met his brothers Philippe and Paul. The group toured the Maritime provinces and then came back and stopped in Ottawa.

When the group from St. Albert, Ontario was out there recently, Mr. Gibeau had met four of the gentlemen and had given them a tour of the area, since his father's home town was St. Albert, Ontario. After seeing the Game Farm, refineries, oil wells and all of Morinville, the visitors from the east expressed the hope that Mr. Gibeau would sometime travel down their way and take advantage of their hospitality. So when the charter group stopped in Ottawa, Mr. Gibeau called up his friends and they came to meet him and gave him a grand tour of St. Albert, Ontario, his dad's home town.

On the trip to St. Albert, Mr. Gibeau was accompanied by his sister-in-law, Mrs. Jean Behiel. They visited the old "home place," meeting cousins and many family friends. They also toured a Maple Sugar plant in Vermont, U.S.A., tasting the sugar and syrup and found it all very interesting. In Mr. Gibeau's words "it was a most wonderful trip, I have some most wonderful friends."

Monday morning was the first time we had driven on the new paved streets, and what a pleasure! Mr. Ernie Nawkonksi, superintendent for Asphalt Services of Saskatchewan is still quite optimistic that the street program will be completed. Knowing nothing about the effect of our miserable weather conditions, we just have to take their word for it. If the last rain had kept away, Mr. Nawkonksi had estimated 10 days for completion.

The Red Cross Blood Donor Clinic will be held in the Morinville Recreation Centre on Wednesday, Nov. 7 from 7 - 9 p.m. Donors are requested to give their name to the canvassers when they call at the houses during the Red Cross campaign. You are urged to support this very worthwhile project.

The Morinville Lions Club wishes to remind everyone that time is running out for ordering the birthday calendar.

The majority of the people in town have been contacted, but if for some reason you were missed or know of someone who would like to be included, please call Doug Ramer at 256-3565.

Mr. and Mrs. Charles Krauskopf have just returned from a flying trip to Chicago where they attended the wedding of Mrs. Krauskopf's sister, Eileen O'Shea.

## Letters to the editor

### The Editor:

As an interested resident, I attended a meeting in the Gibbons Community Hall, Thursday evening Sept. 20, 1973.

The purpose of this meeting was to have the residents of Gibbons and area view the Blue Prints and Model of

the new Arctic Complex, with the addition of the Curling Rink and Hall, also to consider the cost of the complex. The Sturgeon River Agricultural Society has also received its Charter.

I was very disappointed in the turnout from the Village of Gibbons, at this meeting,

as this complex will benefit everyone from 1 to 101 in the entire community. Those who have moved into Gibbons within the last two years or have been residents from the beginning had better start thinking a little more about their community because its only as good as the residents make it. So instead of waiting to be asked to join the community activities why not volunteer - we need everyone.

It is too bad one or two have to do all the work, while everybody else sits on their butts and criticizes those trying to please the community. I HOPE THAT IT ISN'T THAT THEY JUST DON'T CARE.

Ron Coley,  
Gibbons Resident.

## Mothers honoured at birthday party

By Liz McLeod

What better reason to throw a party than to honor one's mother on her birthday. This was the case for several of the Sports Association ladies who wished to show their feelings and six mothers were included in one celebration in September.

The Gazebo was prettily decorated with pink streamers and bells and a centre cluster of balloons, setting the stage for what resulted in a most successful birthday party. The ladies honored were Mrs. Bertha Berube and Mrs. Arvilla Majewski from Calahoo; Mrs. Molly Gibby; Mrs. Lucille Webber; Mrs. Betty Summerfield and Mrs. Beth Glingrich from Stony Plain.

Each mother was presented with a corsage and a purse and all partook of the delicious birthday cake that had all their names on it. Thanks to the good local music and to each one connected with making this such a heartwarming experience.

## Renu Khuller Elected Vanier Pres.

Friday, September 21 was an exciting day for the junior high students of our school. This was the day that our new Students' Union executive was elected.

On Sept. 12 a nominating committee under the chairmanship of Debra Bryan was appointed. The committee asked suitable candidates to run for the six positions. Other nominations were accepted as well. Soon, posters of every size, shape and description decorated the walls, doors and even the dispensing machines in the

school. Campaigning began in earnest and various slogans adorned the posters and the candidate tags that the majority of students wore.

On Thursday, Sept. 20, campaign speeches were given by each candidate during Block 5. Candidates appeared nervous but the speeches were well presented and received with cheers and applause.

The candidates were -- President, Donna Fay Borle and Renu Khuller; Vice-president, Donald Cormier and Rene Beland; secretary-

treasurer, Vivianne Blackburn and Edna Bachand; social convener, Louise Dupuis and Salim Butt; boys' sports representative Daniel Craig, Wayne Van Brabant and Mark Simcoe; girls' sports representative, Karen Gibeault, Cheryl Mason and Denise Carignan.

Voting took place on Sept. 21 with a good turnout reported by the returning officer, Mrs. Doris Pound. All the successful candidates won by a small margin and all positions were contested. The new executive for this year is as follows:

President - Miss Renu Khuller; vice-president, Mr. Rene Beland; sec. treas. - Miss Vivianne Blackburn; social convener, Mr. Salim Butt; sports representatives Miss Karen Gibeault and Mr. Daniel Craig. The class representatives are: 9A - Miss Donna Fay Borle; 9B - Miss Judy Bokenfor; 8A - Mr. Eddy Bulger; 8B - Mr. Donald Cormier; 7A - Miss Kim Mulligan; 7B - Mr. David Morris.

Mr. and Mrs. Pete Lema and family were visiting with Mr. and Mrs. George Montpetit last Sunday. They were also accompanied by Mrs. Juliette and Laurette Lema. Hope you won't wait another seven years before coming back Pete.

Mrs. Diane Remillard enjoyed her weekend with her daughter Annette Lapointe and family in Hughenden.

## LEGAL LOCALS

By Lucienne Montpetit

The graduation exercises will be held on October 13 beginning with mass celebrated at 4 p.m. at the church followed by the banquet at 5 p.m. in the community hall. At 7:30 everyone will move to the school gymnasium for the exercises. At 9:30 the Twilites will be rocking the gym with their swinging music for the "Big Dance."

Anyone wishing to purchase tickets for the banquet can get them from any business place. Buy them now.

Best wishes for a speedy recovery to Wally Fizer who has been in the hospital for several weeks.

Have you ever thought of acting in a play and never had the opportunity? Here's your chance, if you're interested in joining the all French acting group under the direction of Gerard Rouleau, characters in the play include Men and Women. For further information contact Gerard Rouleau 598-2551 or Lucienne Montpetit - 598-3880 before October 12.

Mrs. Arthur Morin, Mr. Horve Beauchamp and Mrs. St. Pierre visited an old friend Emile Hamel recently. They were happy to report that Mr. Hamel had given them some 100 lbs. of apples, which they are very grateful. The senior citizens at the Chateau also enjoyed several meals of this delicious fruit.

A warm welcome to Mr.

## STURGEON BILLBOARD

# NAMAO NEWS

By Norma Crozier

The October meeting of Namao UCU will be held at the home of Mrs. Bud Crozier on Wednesday, Oct. 10 at 1:30 p.m. All interested ladies are invited to attend.

The annual Turkey supper will be held on October 20 in the school auditorium using the new facilities which are near completion.

Anyone interested in taking skiing lessons please contact John McNelly Jr. at 799-6302. These lessons are for all age groups.

Namoo UCU ladies will sponsor a shower for Lois Clapp in the Community Hall on Friday, October 12 at 8 p.m. Lois will be married on October 20.

Get well wishes of the district to Jack Speers who is a patient in Royal Alexandra Hospital after an accident while combining last week. Jack suffered a badly injured arm and hand. We all wish him a speedy recovery.

Mothers Take A Break group are offering an in-

teresting program for the month of October!

Oct. 9 - Mr. Shields from the Alberta Drug and Alcohol Abuse Commission will be the guest speaker.

Oct. 16 - Window Dressing with Pat Prymak, district home economist.

Oct. 23 - Craft Day

Oct. 30 - Hairdressing.

Time - Tuesday mornings 9:30 - 11:30. Place - Namoo Old Elementary School.

Babysitting is available and all interested ladies are welcome to attend.

Namoo School and Community League will hold their "Harvest Ball" on Saturday, October 27 with music by the Satellites. Tickets are available from Johnny's Store, Sam's Garage and Vera Huber.

Art classes will be able to commence late in October at Namoo School if a few more people wish to enroll. Anyone considering taking these classes should contact Ada Cowan at 799-5641. A competent instructor is available.

## Calahoo Benefit Dance

The Calahoo community is holding a dance in aid of the Roddick family who lost their mobile home in a fire.

The dance will be held in the Gazebo and Louis and Natalie are donating their musical talents.

The gals are bringing household shower gifts and proceeds will help the Roddicks get established again.

The gesture is typical of the rural districts and undoubtedly a large crowd will have a great time this Saturday night.

The Calahoo Agricultural West Sturgeon Agriculture Society are holding a big bust out on October 27, with plans for a Hard Times Day and big auction in combination with all sorts of activities for entertainment of families through the area west of the highway. Which is not to say that everyone east of the highway doesn't have a warm invitation to visit the Calahoo sports grounds that day.

Uniform is putting on a seed show, the Women's Institute will set up display of handicraft of interest to all women. St. Catherine's Ladies will have some baking and

coming for sale and both the concession and the Gazebo will be serving refreshments.

The plan is to raise money for needed facilities for the district and four people in charge of arrangements would like to hear from any residents with ideas or offers to help. They are Bernie Ross (932-5664), Rita Letendre (932-5159), Stan Walker (459-3285) and Moe Barbe (459-5652).

To date the recently formed Agricultural Society have held four meetings and since the members are also involved with the Sports Association, Women's Institute and the Church, attempts are

being made to effect a combination effort underway, with everybody working towards those goals they have in common.

It is hoped the Hard Times Day and Auction will attract wide spread support and a big crowd to get things off the ground October 27, as the community goes after new facilities in earnest.

# Report From Bon Accord

By Sadie Allen

You are reminded of the Consumer Education Program slated for Monday evenings at 8 p.m. in the Bon Accord Community Centre clubroom starting on Monday October 22 and running for three consecutive Mondays until Nov. 5, missing Nov. 12 and resuming for two more Mondays on Nov. 19, Registration is only \$1 for the whole series. Please pre-register by contacting Linda Bland at 298-2185 or Sadie Allen 298-3541. Posters with details may be found in the Village Superette and the B.A. Laundromat.

Bon Accord guides and brownies held a registration meeting in the B.A. clubroom on Wednesday, Sept. 26. The meeting was chair-

ed by Divisional Commissioner, Mrs. Helen Lesyshen. Brown Owl leader is Mrs. Glenna Brennan, Tawny Owls are Miss Caroline Lesyshen and Mrs. Connie Lewis. Guide Lt. is Mrs. Roseanne Lewis. Anyone interested in helping with the guides and brownies please phone Mrs. Lesyshen 298-3754 evenings or Mrs. Eileen Malanchen 298-3618 during the day. Regular meeting dates will be announced later.

The local association executive was formed at this meeting. Members of the executive are: President - Mrs. Darlene Eileen Malanchen, telephone comm. - Mrs. Carol Donaghy and Mrs. Kit Millwood, lunch comm. - Doreen Hewitt and Kit Millwood; uniforms - Mrs. Millwood. If you have

a uniform to sell or wish to obtain one, please call Mrs. Millwood at 298-3742. Many thanks are extended to all those ladies who served as leaders and on the executive and committees of the Local Association. It was with regret that the resignation of Mrs. Ruby Lampkin as guide captain was accepted. A very special thank you is extended to her for her years in this role.

Members of the B.A. 4H Food Club will be appearing on CFBN TV 4H Clubtime on Sunday, October 21 at 8:30 a.m. Mark that date on your "dates to remember" calendar.

Visitors from Victoria, B.C. are Mr. and Mrs. Walter Strawn.

Get well wishes are extended to Sarah Mulligan and Frances Ketter at Sturgeon General and Archie Jenkins at the Royal Alex hospitals.

The Bon Accord 4H Beef Club wound up their 72-73 season with a steakbarbecue on Wednesday, Sept. 26 at the B.A. Community Centre. After a delicious meal of steak, a specialty of club leader Taras Ferbey, and assorted salads, the meeting was called to order by club president, Lydia Uchacz. Club members were introduced by Betty Kushak, guests by Marsha Rigney. Reports on their week at Camp He Ho Ha were made by Brian Lewis and David Uchacz, attendance at Olds Selections by Patrick Ferbey and Olds Club Week by delegates Mar-

sha Rigney and Lydia Uchacz. Awards received by club members were donated by the Royal Bank-Northgate and Gibbons Branch - Mr. Wm. Kundert, Shell Oil - Russel Pawluk, Curtis Feeds Morinville; Bon Accord Super Service - Lyle McKenzie and Peter Leduc, Art and Alice Strawson - Madeline's Cafe; Whitson's Village Superette; Milligan Fertilizers, Bon Accord Hotel, Redwater Lockers, Bon Accord Industries, UFA Oil Co-op - Gib Paradis; B.A. Sales and Service - Fred Abramski and Bon Accord Community Centre. Club members are Judy Abramski, Patrick Ferbey, Marsha Rigney, Lydia Uchacz, Michael Uchacz, David Uchacz, Victor Uchacz, Brian Lewis, Gary Bilecki and Betty Kushak.

Registration for craft classes was held on Sept. 26. Artificial flower class will be held on October 3. Stretch and sew slated for next spring. Crocheting and knitting for after Christmas, photography more adults needed. Christmas crafts will be announced later, Yoga - announced later, Children's ceramics - after Christmas, gymnastics, - October 24, wrestling - more students needed, 10 are required for a class; six are registered.

A wind-up banquet and dance for baseball and softball will be held on Saturday Nov. 3, 1973 in the Bon Accord Community Centre. Tickets are \$1.50 for adults, \$1 for 6 to 16. Under six free if accompanied by a parent. Tickets are now on sale with cut-off date October 20, and may be obtained from Doreen Hewitt, 298-3581 or Sadie Allen, 298-3541.

A bridal shower honoring Miss Janice Fraser, whose marriage to Brian Irmen will take place on October 6, was held in the B.A. Community Centre on Thursday, Sept. 27. Presentation of the gifts was made by Mrs. Dale Lewis. Assisting Janice in opening the many gifts received were her sister June and Miss Sharon Dawson.

Students of Bon Accord are now conducting their annual magazine sales campaign. All profits go into the student union funds and are used to finance student activities. Please give the young people your support. A magazine subscription makes a year-round gift, whether for Christmas or any other occasion.

A reminder of the Thanksgiving supper on Monday, October 8 at the B.A. Community Centre. A better meal you'll never get, even at twice the price.

## STURGEON PRE-SCHOOL NURSERY

To Commence  
November 1st, 1973

Mrs. Beryl Minchin wishes to announce the opening of her Pre-School Nursery located at 127 Sturgeon Shoppers Plaza, for girls and boys aged three to five years.

A constructive program with music and movement is offered in your choice of classes 9 a.m. to noon and 1 to 4 p.m. Monday to Friday inclusive.

### REGISTRATION

Registration for limited enrollment will be held between the hours of 10 a.m. and noon and 1 to 4 p.m. from Monday the 8th of October in The School premises.

The above school will conform with all fire and health regulations and licensed with The Alberta Department of Health and Social Development.

## Gibbons Council signs Saralee Agreement

Village of Gibbons council decided at the Sept. 27 meeting to hire another full time man to take over some of the village duties and to help the present man with the village work. See advertisement in this issue.

The council have offered assistance to the Gibbons Teen Club who wish to have a halloween party for the

**Safe Driving is the Rule**  
WHEN KIDS ARE IN SCHOOL

**STURGEON VALLEY EQUIPMENT**  
17 HELLEROSSE CRES.  
ST. ALBERT  
PHONE 459-5100

children of the village instead of the usual trick or treat from door to door. They wished permission to canvas the village for support of this project. Please watch for notices.

Two members of council attended the meeting with the village lawyer to sign the final stages of the Saralee Development and the allotment of land for a senior citizen's home to be built here in the future.

The council has agreed to back a debenture note for the start of construction for a new arena within the village area to serve the village and area. A bylaw will be drawn up immediately.

The secretary was asked to write a letter to the Canadian National Railway to get information toward purchasing the station building for future use by the village or some organization of the village.

By Ronald Coley

On Sept. 22, the Gibbons Public Library held their first Book Drive to help the library get started on the right foot. However, the response was very poor. A few community minded people were generous enough to take a few minutes to drop their books off. Among these were Lynne Morin, Annette Lamoreaux, Earl Yeo, Gladys McWhirter, Pearl Crawford, Gladys Morin, Margaret Rigney, Kay Boettger, Mrs. Toane and Mrs. Bessie Egar, from Edmonton.

The library is not asking you for new books or adoption of your time, what they are asking is how things you have books you no longer want. These books will be picked up. So what could be simpler.

If you want a library you can be proud of, dig in and support it. Get involved by donating your books, not your complaints on how things should have been done. After the library is open suggestions will be welcomed from members.

There will be a door to door canvas Oct. 10. Please have your books ready. If you are missed, you can phone to have your books picked up at 799-3862 or 799-5606. There also is a box at the Village office.

Don't forget your donations to the Arena Complex. You may drop into the Royal Bankmobile, in Gibbons, during regular banking hours, with your donations. Canvassers will be covering Gibbons and area. But don't wait for them. You can drop your donations off with Mr. Earl Toane, Don Rurak or any member of the Sturgeon River Agricultural Society.

Don Rurak is beating the high cost of meat by getting a moose up in the Lac La Alcomdale 4H

On Sept. 13 the Alcomdale 4H Clothing Club held their reorganization meeting at the home of Mrs. J. Kyle. The meeting started at 7:55 with Helen Busenius saying the pledge.

Elections were held for officers. The officers are as follows: President - Kathy Kile, vice-president, Rita Selb, secretary - Mary Mensink; treasurer, Frances Busenius and club reporter - Margaret Mensink. The election of leaders will be held when more members have joined.

We decided to have a regular meeting on Wednesday, Sept. 26 at Kyle's at 7:30 so new members could join. Then Rita Selb moved that the meeting be adjourned at 8:00. A delicious lunch was served.

Biche area, on the weekend of Sept. 22.

Anyone interested in giving a hand in completing the outdoor rink, contact Don Rurak at 799-3894. The project has to be finished before freeze up.

The residents on the north side of 51 avenue are pleased with the village, as they finally finished and sanded the alley next to Don Rurak's.

Mr. Jim Petherbridge has been a patient in the Royal Alexandra Hospital for the past two weeks. A speedy recovery is wished by all of his friends in Gibbons.

Mr. Charles Brumfit has been a patient in the Fort Saskatchewan General Hospital for the past month, following an accident at home. Mr. Brumfit is 100 years old and is Gibbons oldest resident. A very speedy recovery is wished by everyone in Gibbons.

Mr. Joe Krupa has been busy painting the boards of the outdoor skating rink. Anyone interested in giving Mr. Krupa a hand may do so, as all help would be greatly appreciated.

This year "Keep the Kids Off the Street" Halloween party will be held in the gym of the school, instead of the children going from house to house. The Teen Club will be going to all village homes asking for a contribution of \$2 to go towards the party fund. All families, in the surrounding district, who would like to contribute \$2 and have their children participate in this party are welcome. They are asked to contact Darlene Boettger at 799-3806 or Mr. Joe Krupa at 799-5519. There will be a film, costume prizes, treats and fun for all.

Elections were held for the Gibbons Teen Club on Sept. 12. The following were elected to hold office during the 1973-74 term: President Darlene Boettger; vice-president, Tracy Mabbitt; secretary, Laurie Ross; treasurer, Debbie Mitchell. All teen-agers between the ages of 13-19 are welcome to join the teen club, for a charge

of \$1.50 per membership. Meetings are held at the school gym every Wednesday evening. They will be holding a bingo every second week, with the first one being held October 10.

Judo classes for grades 1 to 12 will be held at Horse Hill on October 10. Transportation will be provided. For more information contact Joe Krupa at 799-5519.

Square dancing will be held in the school gym Thursday, October 18, 7 - 11 p.m. and thereafter every Thursday evening for the winter. For more information contact Bill or Della Gibbons at 799-5501 or Allen and Edith Demers.

Dancing lessons will be starting in October, tap and jazz. For more information phone Mrs. Nickolson, Bon Accord, 298-3753 or Mrs. Toker, Gibbons 799-5859.

If you have any new or used books for the new Gibbons Public Library, phone 799-6908 or 799-6909.

Any of you ladies who have just moved into Gibbons our Avon representative is Eileen Pelletier. You may phone her at 799-5919.

After many years on the farm Norman and Bernice Knott have moved into Gibbons on 47 Street.

Construction has slowed down on the new village garage being built adjoining the firehall. The contractors had a few problems in construction when that 70 mile per hour wind came up two weeks ago. The east wall of the building was blown over the landing on a tractor being used on the job. Little damage was done to the tractor however. The building was covered by insurance.

Construction has also stopped on the new outdoor skating rink next to the school. The lighting still has to be put up along with the doors on the pavers boxes and the wire screen at the ends of the rink. A big thanks has to go to Don Rurak for all the work he has done on the rink and also the hours of work he has done with the new arena complex.

## Village of Gibbons PUBLIC NOTICE

The Village of Gibbons wish to hire a full time man to work for the Village. Must be willing to operate a grader, front end loader, trucks etc., and to generally help the present employees. Please state age, wages wanted and date available. Desirable to have a resident of the village but not essential.

Apply to - Village of Gibbons, Box 66, Gibbons, Alta.

## DEAD STOCK REMOVAL FREE

Railway traffic soon will be rolling over the new train overpass above the new section of Highway #37 just north of Gibbons. Also highway traffic is now being detoured on a section of new highway north of the Sturgeon River as construction has begun on the west embankment of the Highway #28 overpass. This highway improvement is a two year project to be completed some next fall.

Construction is going great guns on the new lawgown system north-east of Gibbons.

Marlo Developments still have not started on the construction of their development north of Gibbons.

Gibbons residents don't forget Fire Prevention Week October 8 to the 13.

## NOTICE Householders Of The Village Of Gibbons

Your Volunteer Fire Department personnel will carry out a house inspection in the Village of Gibbons during the week of October 7 to October 13 to generally inspect homes for fire hazards. They will get some general information regarding the number of persons living in the home, location of basement bedrooms, and other data. Please accept the visit of these firemen and ask any questions that you may have about the department and also about what to do in case of fire.

Thank you.

EARL YEO,  
FIRE CHIEF.

## EVENING CLASSES FOR ADULTS

The St. Albert Protestant Separate S.D. wishes to hear from adults interested in evening classes. Classes can be arranged for groups of 10 or more adult students (12 or more for academic classes). Instructors and facilities will be arranged with fees kept as low as possible. Phone J. Bauman, Paul Kane High School, 459-4405, or fill out the slip below.

CONVERSATIONAL FRENCH - CONVERSATIONAL GERMAN

Some interest has been shown for beginning classes in these areas but there are not yet enough students for a class. These classes are intended for those who would like to learn these languages before they visit Europe or simply for their own interest. There will be no exams. Cost for the 10 sessions will be \$18.00.

I am interested in the following course(s).....

NAME .....

ADDRESS .....

TELEPHONE(S) - RES. .... BUS. ....

DAY(S) OF WEEK PREFERRED .....

MAIL TO PAUL KANE HIGH SCHOOL, 12 CUNNINGHAM ROAD, ST. ALBERT. (THIS IS NOT A REGISTRATION FORM).
